When Buffalo Ran ,1966      *When Buffalo Ran* George Grinnell,2014-09-25 Seventy years ago when some of the events here recounted took place Indians were Indians and the plains were the plains indeed Those plains stretched out in limitless rolling swells of prairie until they met the blue sky that on every hand bent down to touch them In spring brightly green and spangled with wild flowers by midsummer this prairie had grown sere and yellow Clumps of dark green cottonwoods marked the courses of the infrequent streams for most of the year the only note of color in the landscape except the brilliant sky On the wide level river bottoms sheltered by the enclosing hills the Indians pitched their conical skin lodges and lived their simple lives If the camp were large the lodges stood in a wide circle but if only a few families were together they were scattered along the stream      *When Buffalo Ran* George Bird Grinnell,1966      *Catalog of Copyright Entries.
