## **When He Appears:**

*When He Appears* Ron Auch,2000-08-01 A study of the Song of Solomon exploring how the romantic language is really symbolic of Christ and His bride the Church as it awaits a wonderful future in heaven The message is really that as the Bride we the Church should be anxiously awaiting His soon return There is a parallel here to the famous parable of the 10 virgins in Matthew 25 five were ready when the Groom arrived suddenly five were not ready Auch s special insight into this difficult and often overlooked book will prove to be a rich vein of hope for the Church *When He Shall Appear* Terry Marr,2019-01-18 One evening during my prayer time I found myself thinking about the many patients I have had the opportunity to be with as they made their transition into eternity As a retired registered nurse and as a pastor I have held the hands of many young and old as they stepped into eternity At the end of these journeys I have witnessed mixed emotions from ambivalence and uncertainty to unimaginable fear as they crossed over into uncertainty and darkness Still there were others who seem to embrace the experience as a peaceful and blissful crossing over into the light of His presence as they finally get to behold His face Like many of you I have heard many talk about the rapture of the church and the Second Coming of Jesus as the premier event for all to behold his face But what about the many who cross over every day In this book you will understand that every day we have the opportunity to have Jesus appear to each of us No not as a character in the Bible but as a living Savior who has always been by our side You will find Him in the face of a child in the touch of friend or in the song of a cool breeze He is everywhere you find true love joy and peace Yes that s where He will appear And the more you embrace these moments the more you will find yourself becoming like Him for it is then you will see Him as He is
