

* HOW TO QUIT * being jealous

Embrace your jealousy: It's a natural emotion and nothing to be ashamed of, until it's expressed destructively.

Pinpoint it: Journal or self-reflect to understand why you feel jealous.

Express it: Rather than hide it or deflect, open up about your feelings without accusing.

Don't manipulate: Don't try to control a person because you feel jealous.

Evaluate it: If jealousy doesn't pass, ask yourself, are you getting more stress from the relationship than joy?
