Why Are First Term Soldiers Leaving the Us Army Reserve? Vaine Caldwell, PhD,2010-12-07 The information presented takes a look at what some military observers see as an emerging issue that the United States Army Reserve will have to address more thoroughly The Good Quit Jeffrey A. Lockwood,2026-02-16 Quitting is a vital and pervasive phenomenon that shapes our lives The Good Quit is an enlightening and provocative challenge to the common perceptions around the choice to quit Rather than offering simplistic how to advice scientist turned philosopher Jeffrey A Lockwood makes full use of biological psychological and social sciences to unpack what constitutes quitting for the right reasons at the right time and in the right way using both fundamental principles and concrete examples He explores the full range of ways in which quitting can occur in the human experience including addictions careers diets games habits jobs politics relationships religions sports and wars Masterful quitting contributes to genuine success but this practice nevertheless has been largely overlooked by scholars teachers coaches and leaders This book is a three part exploration In conceptual terms it asks Is it really quitting if the decision is reversible involuntary or partial In normative terms it explores whether quitting must be well reasoned timed and enacted to be justifiable In applicable terms it emphasizes phronesis or practical wisdom and contributes to the understanding that what constitutes quitting and doing so well is vital to making decisions about whether to persevere or abandon difficult ventures Flourishing is more complex than grit or quit advocates suggest To thrive we must come to know why when and how to quit The Good Quit approaches this topic from an expansive and philosophical point of view making it valuable for anyone contemplating the what when why and how of quitting **Documents of Russian History, 1914-1917** Frank Alfred Golder,1927 **Navy and Army Illustrated** ,1905 **The State Records of North Carolina** North Carolina,1910 **Haydn's Dictionary of Dates Relating to All Ages and Nations** Joseph Haydn,1883 **Regulations relating to the issue of army allowances** War office,1887 **The Military Law Examiner** Sisson Cooper Pratt,1908 Army Reserve Magazine ,1987 **Parliamentary Debates (Hansard)**.
