believer first has to know and understand what those promises are Isaiah Steven has taken on that task in this study which searches for a glimpse of the more distant future It is written that no eye has seen no ear has heard no mind can conceive what God has in store for us in the more distant future But nowhere does it say that we are not to search for that understanding Think on this if God really does offer mankind substance which fulfills the Hope that every believer holds wouldn't He in some way reveal that to us If we are expected to meditate on that Hope through Faith praising Him for His abundant goodness then shouldn't God reveal those spiritual realities God in fact does share many of those secrets through His Holy Spirit and they can be found throughout the entire Bible and in plain sight Those revelations may be considered prophetic in nature because they speak of something that has not yet occurred Finding those secrets and understanding those mysteries becomes the start of an exciting journey That start can be found in *Speculations of a More Distant Future*
