Why Men Work:

Why Men Win at Work Gill Whitty-Collins,2020-08-01 Why are men still winning at work If women have equal leadership ability why are they so under represented at the top in business and society Why are we still living in a man s world And why do we accept it In this provocative book Gill Whitty Collins looks beyond the facts and figures on gender bias and uncovers the invisible discrimination that continues to sabotage us in the workplace and limits our shared success Addressing both men and women and pulling no punches she sets out the psychology of gender diversity from the perspective of real personal experience and shares her powerful insights on how to tackle the gender equality issue This book tells the inconvenient truth about the gender inequality issue providing some real deep insights into what truly gets in the way of driving diversity even in companies that are trying to do the right thing It may be uncomfortable reading for some but crucial for driving the needed change to create a long term advantage Paul Polman Founder Chair Imagine and Ex CEO Unilever Why Men Work - and why They Don't Lloyd Maxwell Ross,1948 **Why Men?** Nancy Lindisfarne,Jonathan Neale,2023 Are war and inequality inevitable because evolution made men competitive and dominant Think again with this entertaining yet powerful new history of true human nature **Why Men Work** Alexander R.
