## Why England Sleeps:

*While America Sleeps* Donald Kagan, Frederick Kagan, 2014-09-30 In *While England Slept* Winston Churchill revealed in 1938 how the inadequacy of Britain's military forces to cope with worldwide responsibilities in a peaceful but tense era crippled its ability to deter or even adequately prepare for World War II In *While America Sleeps* historians Donald and Frederick Kagan retrace Britain's international and defense policies during the years after World War I leading up to World War II showing in persuasive detail how self delusion and an unwillingness to face the inescapable responsibilities on which their security and the peace of the world depended cost the British dearly The Kagans then turn their attention to America and argue that our nation finds itself in a position similar to that of Britain in the 1920s For all its emergency interventions the U S has not yet accepted its unique responsibility to take the lead in preserving the peace Years of military cutbacks the peace dividend following the buildup and triumph over Communism of the Reagan years have weakened our armed forces and left us with too few armed forces to cover too many possible threats This has caused us to bank everything on high tech smart weapons some of which have not yet been invented and others that we are not acquiring or deploying as opposed to the long term commitment of money fighting men and women and planning that the deterrence of a major war would require This failure to shape a policy and to commit the resources needed to maintain peace has cost valuable time in shaping a peaceful world and has placed America's long term security in danger The policies of the Bush and Clinton administrations have left us in a position where we cannot avoid war and keep the peace in areas vital to our security Neither have the post Cold War policies sent clear signals to would be aggressors that the U S can and will resist them Tensions in the Middle East instability in eastern Europe and the former Soviet Union the nuclear confrontation between India and Pakistan the development of nuclear weapons and missiles by North Korea and the menacing threats and actions of China with its immense population resentful sense of grievance and years of military buildup all hint that the current peaceful era will not last forever Can we make it last as long as possible Are we prepared to face its collapse *While America Sleeps* is a sobering fascinating work of history that poses a thoughtful challenge to policy makers and will interest military buffs as well as readers interested in history and international relations

*While America Sleeps* Russ Feingold, 2013-03-12 A progressive former Senator identifies national missteps after September 11 outlining recommendations for safeguarding lives and improving national security while preserving constitutional values 60 000 first printing

**The Kennedy Obsession** John Hellmann, 1997 The author explores the mythology that grew up around John F Kennedy who was not only a president but also a symbol for America's most cherished ideals Jacket

*Author in Chief* Craig Fehrman, 2021-02-16 One of the best books on the American presidency to appear in recent years The Wall Street Journal and based on a decade of research and reporting a delightful new window into the public and private lives America's presidents as authors Most Americans are familiar with Abraham Lincoln's famous words in the Gettysburg Address and the Emancipation Proclamation Yet few can

name the work that helped him win the presidency his published collection of speeches entitled Political Debates between Hon Abraham Lincoln and Hon Stephen A Douglas Lincoln labored in secret to get his book ready for the 1860 election tracking down newspaper transcripts editing them carefully for fairness and hunting for a printer who would meet his specifications Political Debates sold fifty thousand copies the rough equivalent of half a million books in today s market and it reveals something about Lincoln s presidential ambitions But it also reveals something about his heart and mind When voters asked about his beliefs Lincoln liked to point them to his book In Craig Fehrman s original illuminating and entertaining Jon Meacham work of history the story of America s presidents and their books opens a rich new window into presidential biography From volumes lost to history Calvin Coolidge s Autobiography which was one of the most widely discussed titles of 1929 to ones we know and love Barack Obama s Dreams from My Father which was very nearly never published Fehrman unearths countless insights about the presidents through their literary works Presidential books have made an enormous impact on American history catapulting their authors to the national stage and even turning key elections Beginning with Thomas Jefferson s Notes on the State of Virginia the first presidential book to influence a campaign and John Adams s Autobiography the first score settling presiden tial memoir Author in Chief draws on newly uncovered information including never before published letters from Andrew Jackson John F Kennedy and Ronald Reagan to cast fresh light on the private drives and self doubts that fueled our nation s leaders We see Teddy Roosevelt as a vulnerable first time author struggling to write the book that would become a classic of American history We see Reagan painstakingly revising Where s the Rest of Me and Donald Trump negotiating the deal for The Art of the Deal the volume that made him synonymous with business savvy Alongside each of these authors we also glimpse the everyday Americans who read them If you re a history buff a presidential trivia aficionado or just a lover of American literary history this book will transfix you inform you and surprise you The Seattle Review of Books [Why England Sleeps](#) John Cockcroft,1971 *The Poems of John Keats* John Keats,1913 [A Concordance to the Poems of Robert Browning](#) Leslie Nathan Broughton,Benjamin Franklin Stelter,1925 *The Gentleman's Magazine* ,1877 The Gentleman s magazine section is a digest of selections from the weekly press the Trader s monthly intelligencer section consists of news foreign and domestic vital statistics a register of the month s new publications and a calendar of forthcoming trade fairs **English Prose and Verse from Beowulf to Stevenson** Henry Spackman Pancoast,1915 [The Review of Reviews](#) Albert Shaw,1895 [Official Report of the ...
