## Why Remain Jewish:

*Why We Remain Jews* Leo Strauss, Merkaz le-ḥeker ha-ḥehilah ha-Yehudit (Jerusalem), 1962      **Why Remain Jewish?** David C. Gross, 1994 This enlightening book explores the richness of Judaism and Jewish lifestyle and their immeasurable value as a source of strength and fulfilment      Why We Remain Jews Leo Strauss, 1962\*      **Why We Remain Jews** Vladimir Tsesis, 2013-09-14 Dr Tsesis describes the path he traversed from religious ignorance to strong belief in the Jewish religion Tsesis assigns a special place to the proof of his conclusion that religion and science especially in light of recent discoveries are not antagonists and are in fact in complete harmony supplementing and not excluding each other In the spirit of ecumenism Tsesis speaks about coexistence of different religions which share the common objective of assurance of perpetual survival of the human race The unifying theme of this book however is the beauty of the Jewish religion and a possible answer to the question of why we remain Jews      Understanding Jewish History Steven Bayme, 1997      **Letters of a Jewish Father to His Son** David Mierowsky, 1928      *Why Am I a Jew?* Shmuel Rosner, 2025-11-04 What is the essence of Judaism in the 21st century The Jewish people must form a response to one of the most dramatic periods in their long history As their collective culture is transformed and revolutionized necessary questions are asked and answers are needed In the blink of a historical eye less than three hundred years the Jewish people endured cultural upheaval political persecution widespread secularization declared emancipation a horrific annihilation in Europe the rise of a thriving community in the United States the liquidation of communities in the Islamic world and the establishment of a Jewish national homeland The culmination of such hardship and rejuvenation is a storied Jewish identity one that has been forced to express itself in and out of the diaspora Amid such drastic change remembering what makes Jews who they are is of paramount importance In *Why Am I a Jew* seasoned writer Shmuel Rosner connects how in the 21st century a new relationship to Jewishness arose from the perils of history transforming an already resilient people into an innovative one Jews are faced with a new existential situation tasking them to shape their image while advancing toward an unknown Jewish future This is a moment in which the question of what it means to be Jewish becomes a critical one Now more than ever ask and receive answers      We Are Not Alone Menachem Kellner, 2021-08-10 Maimonides Guide of the Perplexed addressed Jews of his day who felt challenged by apparent contradictions between Torah and science *We Are Not Alone* A Maimonidean Theology of the Other uses Maimonides writings to address Jews of today who are perplexed by apparent contradictions between the morality of the Torah and their conviction that all human beings are created in the image of God and are the object of divine concern that other religions have value that genocide is never justified and that slavery is evil Individuals who choose to emphasize the moral and universalist elements of Jewish tradition can often find support in positions explicitly held by Maimonides or implied by his teachings *We Are Not Alone* offers an ethical and universalist vision of traditionalist Judaism      Jesus the Jew Harris Weinstock, 1902      **The Cambridge Guide to Jewish History, Religion, and Culture** Judith R. Baskin, Kenneth

Seeskin,2010-07-12 This book provides a comprehensive and accessible overview of the Jewish experience from its ancient origins to its impact on contemporary popular culture

*Why I Am a Jew* Edmond Fleg,1929      **“The” Problem of Jewish Education in New York City** Samson Benderly,1911      Why Should Jews Survive? Michael Goldberg,1996-10-10 As the current master story of Judaism the Holocaust has been used to depict Jews as being uniquely victimized In the fifty years since the Jewish people have had two overriding concerns survival of the Jewish people and keeping alive the tragedy of the Holocaust In *Why Should Jews Survive* Rabbi Michael Goldberg launches a bold attack on what he calls the Holocaust cult The generation that founded Israel is dying and the new generation seems adrift Goldberg contends that UJA death camp pilgrimages and shrines like the U S Holocaust Museum are deeply destructive of Jewish identity This Holocaust centered survival for survival s sake Judaism is already showing its emptiness and Goldberg insists that Jews now need positive reasons for remaining Jewish They need to return to the Exodus as their master story the story that gave the Jews a unique place in God s plan and one that provides for their survival because they are clearly the linchpin in God s redemption of the world This provocative book powerfully argues a challenge to the dominant theme of modern Jewish thought and Rabbi Michael Goldberg simultaneously offers practical and serious hope to sustain the next generation      **God Was Not in the Fire** Daniel Gordis,1997-09-10 Contemporary Jews seeking a path toward spirituality and a renewal of faith will find it in this fresh look at the traditional rituals prayers celebrations and ethical teachings of Judaism This book makes its case for returning to one s Jewish roots for exploring the various paths to God and living a fuller richer life Sandra Rosenthal Berliner *The Philadelphia Inquirer*      **The Jewish Forum** ,1918      **The Weakening of Jewish Religious Life** Claude Goldsmid Montefiore,1904      Jewish Daily Bulletin Index ,1926      **Why Remain Jews?** Robert I. Kahn,1965      *Why Am I a Jew ?* Emil Gustav Hirsch,1895      Why Ethics? Robert Gibbs,2000-09-17 Robert Gibbs presents here an ambitious new theory of ethics Drawing on a striking combination of intellectual traditions including Jewish thought continental philosophy and American pragmatism Gibbs argues that ethics is primarily concerned with responsibility and is not as philosophers have often assumed principally a matter of thinking about the right thing to do and acting in accordance with the abstract dictates of reason or will More specifically ethics is concerned with attending to others questions and bearing responsibility for what they do Gibbs builds this innovative case by exploring the implicit responsibilities in a broad range of human interactions paying especially close attention to the signs that people give and receive as they relate to each other *Why Ethics* starts by examining the simple actions of listening and speaking reading and writing and by focusing on the different responsibilities that each action entails The author discusses what he describes as the mutual responsibilities implicit in the actions of reasoning mediating and judging He assesses the relationships among ethics pragmatics and Jewish philosophy The book concludes by looking at the relation of memory and the immemorial emphasizing the need to respond for past actions by confessing seeking forgiveness and making reconciliations In format Gibbs adopts a Talmudic approach interweaving brief

citations from primary texts with his commentary He draws these texts from diverse thinkers and sources including Levinas Derrida Habermas Rosenzweig Luhmann Peirce James Royce Benjamin Maimonides the Bible and the Talmud Ranging over philosophy literary theory social theory and historiography this is an ambitious and provocative work that holds profound lessons for how we think about ethics and how we seek to live responsibly
