Why The Holy Spirit Matters:

Best Kept Secrets of the Gospel of Jesus Christ Lawrence D. Gardner, 2006-02-28 I had a religion professor at Brigham Young University who often asked What is the best kept secret of The Mormon Church After declaring all answers amiss he would make this statement The best kept secret of The Mormon Church is the Gospel of Jesus Christ Over the years of teaching gospel doctrine I have found his statement to be all too true Despite their best study efforts and the abundance of scriptural resources many members do not understand some fundamental and extremely important doctrines I invite you to feast with me upon the meat of more exalted concepts

Why the Bible Matters Mike Erre, 2010 Mike Erre the teaching pastor of a large culturally relevant church in Southern California offers intelligent answers to the questions emerging generations are asking about the Bible How can the Scriptures be relevant to the post Christian postmodern world Does objective truth even exist With so many viewpoints translations and theologies out there how can anyone today know what the Bible really means Many 20 and 30 somethings are suspicious of the way the Bible has been used by some people in the Christian community But on the other hand they don't necessarily buy into modern revisionist criticisms either This unique guide provides the middle ground upholding the authority of the Bible in creative engaging and intellectually satisfying ways It addresses the specific biblical questions concerns and issues that are so important to the under 40 crowd Erre's contagious enthusiasm and deep respect for the Scriptures match his first rate scholarship

Why the Holy Spirit Matters Today Kenneth Cummings, 2025-08-25 Why The Holy Spirit Matters Today is a journey chapter by chapter into a deeper life with the Spirit a life marked not by striving but by surrender not by confusion but by clarity not by fear but by fullness Each chapter is designed to be built upon the last and the book begins with the Holy Spirit's presence and continues on through His power character gifts guidance and mission If you've longed to hear God's voice experience His power or find purpose in your faith this book is for you

Why the Reformation Still Matters Michael Reeves, 2016-04-21 On 31 October 1517 Martin Luther posted his ninety five theses on the castle church door in Wittenberg More than any other event this has the best claim to be the starting gun that set the Reformation in motion Five hundred years later the Reformation still has important things to say In this clear incisive and accessible survey Michael Reeves and Tim Chester show how the Reformation helps us answer questions like How do we know what's true Can we truly know God How does God speak What's wrong with us How can we be saved Who am I That many people today find the Reformation strange and remote exposes our preoccupation with this material world and this momentary life If there is a world beyond this world and a life beyond this life then it doesn't seem to matter very much to us At its heart the Reformation was a dispute about how we know God and how we can be right with him At stake was our eternal future and it still is
