Why You Lose At Chess:

Why You Lose at Chess Fred Reinfeld, 2016-08-19 The Way to Better Chess Why You Lose at Chess is vintage Reinfeld He pulls no punches showing the reader why he or she loses chess games This is quite a remarkable feat when you think about it because he never saw any of the games the vast majority of his readers played But Fred knew the thinking that lurks behind poor chess decisions and he let us all know what is wrong or irrelevant or misguided about the types of moves he witnessed far too often Beginning with a chapter on self appraisal he links a lack of understanding of your own personality with erroneous choices of moves and plans in a chess game He goes on to delve into playing blindly with no idea what you are actually doing or by rote memorization vs understanding A couple of technical mistakes he points out include a lack of understanding of the tremendous importance controlling the center makes as well as knowing what features in a position should be present in order for an attack to be likely to work Among other observations he gets on amateur players for being easily bored impatient lazy and stubborn And all of this comes with lucid examples from master play that back up his contentions All in all this is an outstanding treatment of a subject players generally do not pay enough attention to It has the potential to open anyone's eyes to what playing strong chess can be like Let Fred Reinfeld show you the way to better chess

Why You Lose at Chess Tim Harding, 2012-04-26 Updated edition of a chess classic analyzes what went wrong in losing games Focus includes Internet and email play computer chess and face off between Kasparov and Deep Blue **So It Goes** Jeffrey Yeatman, 2024-08-09 There is a disconnect between the sacred and secular worlds that have left many individuals lost in life Similar to wounded animals in the wild we resort to our survival instincts at the sight of blood The psychic wound in an individual will lead to a path of consciousness It is in the healing of our psychic wounds that we come to know ourselves We must embrace the quest for identity and understand that life will break us It is through these dark and challenging times that we are faced with the truth The truth is righteous The truth destroys in order to create a new path a path to find out who we are But because of your stubbornness and your unrepentant heart you are storing up wrath against yourself for the day of God's wrath when his righteous judgment will be revealed Romans 2:5 **Chess Life** ,2002 Chess Review ,1956
