Wild Blue Pb:

The Black Mark Morris, 2024-05-03 Kate Nolan is a successful magazine editor with a loving husband James and a five year old son Max Her life couldn't be more perfect but one day she receives a phone call from James which changes everything Clearly distressed James tells Kate to meet him at midnight outside the beach caf once owned by her long dead grandmother in the seaside town of Seahaven where they both grew up A strange request made even more sinister by the fact that in recent weeks Seahaven has become prey to a serial killer who is targeting the local children Kate keeps the midnight appointment but instead of finding her husband and son she finds herself drawn into an ever tightening web of past misdeeds and long buried secrets As hopes for her missing family fade Kate becomes involved in a desperate race against time Where are her husband and son Have they become the latest victims of the serial killer who calls himself Dominic and seems to know her intimately And what has all this to do with Kate's childhood terror of the impenetrable darkness known as the black

The Uglimen Mark Morris, 2024-06-02 The uglimen are coming Watch your back They killed your dad They'll kill you too if they can Rob Loomis has everything he could wish for a beautiful girlfriend a job he loves a nice flat in London Life is sweet until the day that his mother rings him at work to tell him that his quiet thoughtful and apparently contented father has hung himself from the banister of their family home Before long Rob finds that it is not only his own and his mother's grief that he has to cope with A mysterious hissing voice on the phone informs him that his father was murdered and that his murderers the uglimen are targeting Rob as their next victim But if Rob's father really is dead why does Rob glimpse him standing between distant trees watching his own funeral Is his father a phantom A figment of Rob's imagination Or has he somehow faked his own death in order to avoid some terrible retribution To discover the truth Rob must confront and accept shocking revelations about his father must delve deep into his father's past and in particular into certain events that occurred in California in 1969 during the fabled summer of love For it was here where his father made the biggest mistake of his life where his reckless actions were to have such devastating consequences that they would destroy not only his life but the lives of all those around him

The Secret of Anatomy Mark Morris, 2025-02-28 David Fox fast approaching his fortieth birthday is in the throes of a mid life crisis going nowhere no purpose in life Until one day whilst walking on the beach he comes across a message in a bottle washed up at his feet The message written in 1953 is from a boy called John Marshall who claims his father is trying to kill him David feels compelled to find out what happened to the boy all those years ago and so he sets off to discover the truth But the truth is more bizarre than anything he could ever have imagined His investigations lead him to a secret society called the Flux each of whose members has a unique and awesome secret which the Flux holds at its core David soon realises that the Flux are merely pawns unwitting participants in a process started centuries ago that has brought mankind to the very brink of destruction From one of Britain's most talented and highly acclaimed horror writers The Secret of Anatomy is Mark Morris's most powerful and original book to date

Fiddleback Mark Morris,2024-11-16 how do you describe that moment when the lights go out in someone s eyes and the darkness takes over They become something you can t reason with something whose conscience you can t appeal to like a shark or a machine They look human but they re not Not in the sense that the majority of us understand anyway They have no moral code They become less than human inadequate incomplete And that incompleteness can make them dangerous even deadly When Ruth Gemmill s younger brother Alex fails to return her calls she sets off to check up on him Unable to find him in Greenwell the town where he has been living and teaching she begins her tentative enquiries She soon discovers the locals to be frustratingly unhelpful while the eerie town holds more questions than clues Why are the police so uncooperative Why is Greenwell so dark and lonely And who is the grey man the schoolchildren saw Alex with not long before he went missing As Ruth becomes concerned that something terrible has happened to her brother events escalate mysteriously dangerously out of control Then in one fearful moment she is sure she glimpses the abusive ex boyfriend she left behind in London the man who caused her years of tortuous pain Too late Ruth realizes that her worst fears haunt her still and that she is at the center of a far darker nightmare than she could ever have imagined **Circular** United States.
