

THE WILDE CENTURY

ALAN SUTFIELD

Wilde Century

**Heinrich Weinel, Alban Gregory
Widgery**

Wilde Century:

The Wilde Century Alan Sinfield, 1994 Explores how the characters in Oscar Wilde's plays though not specifically gay epitomize today's image of the effeminate male how they relate to British theatrical fops and other characters since early modern times how the representation of same sex passion was altered by Wilde's expose and trial as a homosexual and how the stereotype of the gay man became established in the 20th century Annotation copyright by Book News Inc Portland OR

The Wilde Century Alan Sinfield, 1994 Style and the Nineteenth-Century British Critic Professor Jason Camlot, 2013-04-28 In analyzing the nonfiction works of writers such as John Wilson J S Mill De Quincy Ruskin Arnold Pater and Wilde Jason Camlot provides an important context for the nineteenth century critic's changing ideas about style rhetoric and technologies of communication In particular Camlot contributes to our understanding of how new print media affected the Romantic and Victorian critic's sense of self as he elaborates the ways nineteenth century critics used their own essays on rhetoric and stylistics to speculate about the changing conditions for the production and reception of ideas and the formulation of authorial character Camlot argues that the early 1830s mark the moment when a previously coherent tradition of pragmatic rhetoric was fragmented and redistributed into the diverse localized sites of an emerging periodicals market Publishing venues for writers multiplied at midcentury establishing a new stylistic norm for criticism one that affirmed style as the manifestation of English discipline and objectivity The figure of the professional critic soon subsumed the authority of the polyglot intellectual and the later decades of the nineteenth century brought about a debate on aesthetics and criticism that set ideals of Saxon rooted virile style against more culturally inclusive theories of expression *Names and Stories* Kali Israel, 2002-09-26 Emilia Dilke 1840-1904 was christened Emily Francis Strong and known by her middle name throughout her childhood as the daughter of an army officer cum bank manager in Iffley England near Oxford and her days as an art student in London During her first marriage she was Francis Pattison or Mrs Mark Pattison while her published works of art history and criticism were neutrally signed E F S Pattison Later in the 1870s she privately changed her first name to Emilia a switch made public when she remarried in 1885 By this second nuptial union she became Lady Dilke the famous intellectual feminist art critic author and eventually the active and popular President of the Women's Trade Union League for nearly twenty years A rich work of biography literary criticism aesthetic history and sociocultural inquiry *Names and Stories* traces the life of this fascinating and remarkable woman as it was lived under many different appellations and guises In doing so the book investigates the full spectrum of nineteenth century British thought and custom By studying not only an individual life but the many stories that informed determined and challenged that life author Kali Israel considers Dilke as both subject and object author and character player and pawn in the Victorian world of which she was a part As they are chronicled explained and contextualized in this book these stories however they were created told or interpreted move through realms both historical and fictional Israel's central character experienced not one but two highly visible marriages marked by rampant

gossip high profile sex scandals and inconclusive courtroom battles was considered by some to be the model for the character of Dorothea in Eliot's *Middlemarch* and similarly appeared in many other novels plays and even poems in her own time and up through the mid twentieth century *Names and Stories* is not a conventional life and times book even though it recounts a birth to death adventure that is both unique and epochal Rather the work utilizes Dilke's myriad narratives as the means to broader critical historical and theoretical engagements Debating the very nature of life study and biography writing Israel employs a wide array of published and primary sources to argue that the names and stories of Emilia Dilke can help us understand key conflicts and tensions within Victorian Britain as well as ongoing cultural arguments This book thus examines several nineteenth century pressure points in this light among them gender representation authority authorship knowledge and political thought Israel's contemporary and cross disciplinary study also illuminates such broader themes as the family the body narrative figuration and historical writing and reading *The Christian Century*, 1930 **The Cambridge**

History of Literary Criticism: Volume 9, Twentieth-Century Historical, Philosophical and Psychological

Perspectives Christa Knellwolf, Christopher Norris, Jessica Osborn, 1989 This ninth volume in *The Cambridge History of Literary Criticism* presents a wide ranging survey of developments in literary criticism and theory during the last century Drawing on the combined expertise of a large team of specialist scholars it offers an authoritative account of the various movements of thought that have made the late twentieth century such a richly productive period in the history of criticism The aim has been to cover developments which have had greatest impact on the academic study of literature along with background chapters that place those movements in a broader intellectual national and socio cultural perspective In comparison with Volumes Seven and Eight also devoted to twentieth century developments there is marked emphasis on the rethinking of historical and philosophical approaches which have emerged especially during the past two decades as among the most challenging areas of debate *The Century* Josiah Gilbert Holland, Richard Watson Gilder, 1922 **Nineteenth**

Century Theatre, 1995 *The Twentieth Century*, 1922 **The Nineteenth Century**, 1922 **The Twentieth Century**

Molière Augustin Frédéric Hamon, 1915 "The" *Poets and the Poetry of the Century* Alfred H. Miles, 1898 *The Mauve*

Decade AMERICAN LIFE AT THE END OF THE NINETEENTH CENTURY THOMAS BEER, 1926 **The Nineteenth**

Century and After, 1911 *Century Illustrated Monthly Magazine ...*, 1922 **Nineteenth Century and After**, 1911
