Cultivating Professional Resilience in Direct Practice Jason M. Newell,2017-09-26 Overwhelming empirical evidence indicates that new social workers particularly those going into child welfare or other trauma related care will discover emotional challenges including the indirect or secondary effects of the trauma work itself professional burnout and compassion fatigue However the newly revised CSWE Educational Policy and Accreditation Standards EPAS does not mandate the inclusion of content related to self

care in social work curriculum or field education In a textbook that bridges the gap between theoretical and pragmatic approaches to this important issue in human service work Jason M Newell provides a potential resolution by conceptualizing self care as an ongoing and holistic set of practice behaviors described as the key to professional resilience To address the effects of trauma related care on direct practitioners Newell provides a comprehensive competency based model for professional resilience examining four key constructs stress empathy resilience and self care from a range of theoretical dimensions For those who work with vulnerable populations the tendency to frame self care solely within organizational context overlooks the importance of self care in domains beyond the agency setting Alternatively he uses a framework grounded in the ecological systems perspective conceptualizing self care as a broader set of practice behaviors pertaining to the whole person including the physical interpersonal organizational familial and spiritual domains of the psychosocial self Alongside professional self care practices at the organizational level Newell makes a case for the pragmatic role of recreational activities time with family and friends physical health spirituality and mindfulness The application of a comprehensive approach to self care practice has potential to empower practitioners to remain resilient and committed to the values mission and spirit of the social work profession in the face of trauma

Simple Solutions for Complicated Problems Himanshu Sharma,2023-09-16 This book aims to assist individuals in seeking meaning liberation satisfaction and perfection It addresses self imposed limitations and emphasizes utilizing time and energy effectively It provides reasons and solutions to obstacles that hinder personal growth and enjoyment of life The book explores practices like yoga Pranayama and meditation and offers insights on diet and routines It also highlights the importance of supportive relationships and guides readers in identifying parasitic connections The author shares personal experiences and experiments With the grace of the Almighty readers are expected to attain perfection and satisfaction The book optimizes performance and aids in navigating challenges while promoting support for others May everyone find happiness satisfaction and freedom from suffering

Embodiment and Professional Education Stephen Loftus,Elizabeth Anne Kinsella,2022-01-01 This book draws attention to the ways in which an awareness of and sensitivity to embodiment can enlighten educational practices It explores discourses from a range of thinkers including Merleau Ponty Gadamer Bakhtin Haraway and Ahmed to name a few The book argues that attention to embodiment can help us to reimagine the goals of education in ways that fit more coherently with human concerns and that offer the chance to provide education that is more holistic and grounded in our corporeality Theories of embodiment can be used to modify education at the level of curriculum and at the level of pedagogy This can help us design educational interventions that fit more naturally with how humans are inclined to learn and thus make educational experiences more meaningful Attention to embodiment allows us to appreciate the extent to which the body appropriates a professional practice and the extent to which a professional practice appropriates the body of the learner It shows how greater sensitivity to the body can enliven and enlighten our educational practices especially in
