

# Your Compass

The stations of the compass  
We know them all by name  
Each of them is different  
But also much the same

Together there's direction  
Or four as the case may be  
Where will each one journey  
I guess we'll wait and see

North is cool and focused  
South is warm and bright  
East welcomes the morning  
And West does chase the night

Possibilities are endless  
The journey now does start  
The compass that you carry  
Is the one within your heart
