The T-Form Organization Henry C. Lucas,1996 Although information technology IT has long been used to support existing organizational structures dramatic developments in communication technology over the last decade have revolutionized the design of today s leading organizations Using such examples as Frito Lay France Telecom Baxter International Merrill Lynch and American Airlines Henry C Lucas Jr goes beyond mere description of networked organizations virtual organizations and similar businesses of the future to show how to use information technology combined with conventional approaches to organization design to create the technologically based T Form organization *Research in Organizational Change and Development* Debra Noumair,Abraham B. (Rami) Shani,2018-08-10 This volume provides new conceptual insights to help organizations improve health and wellbeing in society Some chapters do this by addressing macro level change some by highlighting evidence based change at the micro level and others by extending theory and integrating perspectives that heretofore have remained separate Strategies for Electronic Commerce and the Internet Henry C.
