

Take A Balloon

Michael Brown

Take A Balloon:

You Can't Take a Balloon Into the Metropolitan Museum Jacqueline Preiss Weitzman, 2008-09-18 A young girl and her grandmother view works inside the Metropolitan Museum of Art while the balloon she has been forced to leave outside floats around New York City causing mishaps that mirror scenes in the museum's artworks

You Can't Take a Balloon Into the National Gallery Jacqueline Preiss Weitzman, 2002 Since this is not her first trip to a museum this little girl knows her bright orange balloon will not be allowed inside the National Gallery of Art in Washington D C The solution seems simple Ask the kindly photographer in front of the museum to look after the balloon But while the girl her brother and her grandmother are inside the balloon sails away starting off a collision of art history and urban life that becomes increasingly comical and exciting Lots of fun either as preparation for a visit to Washington D C or as a way to encourage children to take the time to really examine the pictures in a book Booklist

Simple Science Says Melvin Berger, 1988 Science experiments games and tricks with a balloon and various household items
