The Communicators Commentary Mark Communicators Commentary:

A Faith Worth Living Chuck Queen, 2011-03-03 What does a Christianity constructed upon and pervaded by a theology of God's unconditional love look like Aimed at a wide audience A Faith Worth Living provides one portrait Chuck Queen weaves together biblical interpretations theological reflections and spiritual observations drawn from stories movies literature and common life experiences in his argument for an inclusive Christianity In a simple though scholarly informed style he addresses Christians students of religion and spiritual seekers Key elements of the presentation include a transformative faith holistic and non dualistic God's dream for the world kingdom theology Jesus nonviolent atonement the church as a kingdom community universal salvation judgment and the cosmic Christ acceptance of other religious traditions and the dynamics of a radical discipleship to the way of Jesus Selflessness: The Forgotten Christian Virtue Joseph "Skip" Frazier, 2024-04-15 Selflessness The Forgotten Christian Virtue is the result of a life spent working and interacting with thousands of people over a forty five year career My experiences blessed me with an understanding of the human tendency to be selfish as I witnessed the need for self denial This is not a theological book rather it demonstrates our need for the practical use of God's Word in our lives Scripture is meant to be lived every day We are most happy when we yield to our Savior by submitting to His will My motivation is to show the incredible benefits of a practical application of God's Word It is my sincere wish to benefit your life specifically It is essential for Christians to live for Jesus The selfless life will help you to bring people to Christ and understand it is God not self who is able to pilot our life Finally it is my goal to always apply God's Word in the way it was intended This book has four objectives to wit to demonstrate how detrimental the self oriented way of life is to people to show the importance of selflessness in this life to emphasize the commandment and example of Christ to deny self and to disclose the remarkable benefits of a selfless way of life My sincere hope is that you will eliminate selfishness from your life as you strive to follow the Lord Jesus Christ Joseph Skip Frazier **A Simple Man'S Study of Ezra** Chuck Robertson, 2017-12-05 The book of Ezra is about redemption and relationship with God In it we see how God is working to restore man to a place of fellowship with God *The Communicator's Commentary* Mark D. Roberts, 1993 Ezra and Nehemiah address issues that make the front pages of our newspapers and they speak to the yearnings of our hearts This is why the author of this volume Dr Mark Roberts enthusiastically encourages Christian communicators to explore these somewhat obscure Old Testament texts For much the same reason the author believes modern pastors and Bible students can benefit from careful study in the often maligned book of Esther He emphasizes the book's contemporary relevance stating Esther encourages us to grapple with pressing moral issues in light of God's wisdom As a pastor with a passion for communicating God's truths to young people and to the unchurched in our world Dr Roberts shares his personal success in using the books of Ezra Nehemiah and Esther to address contemporary needs Not only is this commentary well written and carefully researched but as an added plus Dr Roberts deep faith and his dynamic relationship with Christ shine through every

page As Dr Lloyd Ogilvie says in the editor s preface the author of this fine volume is vulnerable open and honest about how the Scriptures he explains have impacted his own life Marked by the excellence you have come to expect in the Communicator s Commentary series this latest volume wrestles with difficult questions such as the rightful place of Esther in the canon and the puzzling roles of Sheshbazzar and Zerubbabel provides a wide range of quotations and anecdotes from modern and classical sources to help us communicate God s message today and offers balance of exegetical historical and literary analysis along with penetrating applications of the truths reflected in these texts As communicators Dr Ogilvie says we all long for those magnificent moments in our preparation when we are gripped with an inspired insight into a passage of Scripture that prompts us to exclaim that will preach We are filled with excitement and enthusiasm to share what we ve discovered This is exactly what will happen as you study this commentary It is power packed and brimming over with new insight into familiar passages

Thanks: Giving and Receiving Gratitude for America's Troops Edgar S. Welty Jr.,2015-07-14 This is a book about faith and moral issues facing American troops and veterans As someone who spent four years wearing a U S army uniform Edgar S Welty has plenty of soldier stories But he does not start this book with those stories Instead Welty introduces his work with the telling of Simon s service when he carried the cross of our Lord Jesus Christ He argues that service is the same as Jesus s call to go an extra or second mile Americans are called by Jesus to walk a second mile for American troops and veterans This act of service is necessary because many troops are in trouble as is demonstrated by suicide rates Each section of this book focuses on a new issue surrounding troops and veterans

Proceedings of the Society for Psychical Research Society for Psychical Research (Great Britain),1906 **Proceedings** Society for Psychical Research,1929 Jesus Revealed Mark D. Roberts,2002-08-20 Jesus Revealed reintroduces readers to the true Son of God helping them see him with clear vision so that they can love him more fully and follow him more completely Readers will be surprised and delighted as they get to know the Jesus whose face is clearly revealed through the titles God gave him and the names used for him by his earliest followers A sense of comfortable familiarity with the Savior can cloud people's vision and even prevent them from drawing closer to Jesus as he really is His titles and descriptions are heard so often that it's easy to miss the impact of their true meaning Even the name Jesus is so well known that it has lost much of its power in believers' lives In these pages readers will encounter a Jesus who surprises and unsettles who comforts and empowers in astonishingly authentic ways Each chapter focuses on one aspect of Jesus' identity such as Rabbi Son of Man Light of the World As pastor and scholar Mark Roberts explores what's behind each of these titles he brings insight into the theological and historical meanings and then relates them to life today Readers will travel back to first century Palestine meet the God man we know as Jesus and experience a soul changing encounter with him Because to know him is to love him
