[Miss or Mrs.?, The Haunted Hotel, and The Guilty River](#) Wilkie Collins, 2009-01-31 Wilkie Collins (1824-1889) is best known as the innovator of the English detective novel, whose sensational novels, plays, and short stories were hugely popular in the Victorian Era. Today, readers enjoy Collins's intricate and suspenseful plots and his penetrating social commentary on the plight of women and domestic issues of the time. Unfortunately, Collins suffered from rheumatic gout for which he took the opiate laudanum, and which eventually led to paranoid delusions and the deterioration of his health. This collection of novellas, although varied in style and plotline, is a wonderful example of some of Wilkie's later work as it became increasingly laden with social commentary. *Miss or Mrs.* is a fast-paced story of malice, blackmail, marriage, and fraud. *The Haunted Hotel* is perhaps Collins's last lucid work; its eerie and suspenseful story was heavily influenced by Collins's severe opium addiction. *The Guilty River* is the psychological and violent tale of two men in love with the same woman.

Riverbank and Seashore in Nineteenth and Twentieth Century British Literature Gillian Mary Hanson, 2005-11-17 The waters of river and sea represent a kind of freedom, a liberty which, as Iris Murdoch writes, enables man to exist sanely without fear and to perceive what is real. As settings in fiction, the riverbank and seashore are rich in potential, offering a sense of destiny and suggesting the possibility of self-truth and self-knowledge. In British literature, the rural coastal setting, shadowed by cliffs, tugged by the constant movement of the sea, becomes the site of revelation and generates the energy that brings characters to a new level of self-awareness. The river's embankments, bridges, and tunnels often mark specific stages of revelation and movement in plot. Entrapment and isolation, contingency, and communication are themes that seem born of such settings. This book examines the ways in which 21 modern and postmodern writers, from Tennyson to Ted Hughes, from Jane Austen to Jane

Gardam have made use of the physical environment of riverbank and seashore in their work It considers how each author employs the physical settings in the service of plot and character development and how those settings are used to connect with some of the major intellectual concerns of the late 19th and 20th centuries Appendices offer significant quotations from the texts under discussion arranged according to the location they describe the rural river the urban river river into sea the rural shore and the urban shore
