Uneasy Conquest:

Uneasy Conquest Leila Mackinlay, 1987-06-01 *Uneasy Conquest* Leila Sterling Mackinlay, 1959 Conquest's
Conquests GJ Babb, 2024-10-28 Politics calls for men and women of experience citizens of high repute and sound judgment
Vice Chancellor Professor Clifford Conquest is a Labour politician in the making who has heard the call Conquest is invited to
become an advisor on the future of university education to Labour MP Marcus Lancing He soon begins to fear that those
defending the bastions of Socialism are being driven to madness by Think Tanks Specialist Advisors Chief Future Officers the
Commentariat and the Battle of the Civilisations The Tory Government he has no doubt already has On his way to a
parliamentary seat Conquest finds himself increasingly immersed in a world of political double dealing beset by the industry
of bad conscience He skirts scandals aplenty but he knows how to ride the zeitgeist and surely his battle hardened
experience of universities where revolting students ideological strife and bungled management are everyday hazards has
fully prepared him for political life **The Big Fumble** GJ Babb, 2022-05-17 One year into the task of putting University
London Central back on its feet trouble shooting Vice Chancellor Professor Clifford Conquest is battling those who in dribs
and drabs defraud my students of the education they deserve His political star is in the ascendant and the ambition to be an
important figure of the Centre Left in a reformed Labour party comes closer But no His aim is threatened by the forces of the
Rising Left not least on his governing body bent on displacing the Centre Left Both factions regard universities as their
intellectual stronghold in danger of becoming a plaything of the Right When a magnetic couple from the world of cinema
attend Graduation Day Conquest's ambitions for The New University are given renewed impetus Complications are rife A
student comes to a sticky end raising questions about the university's ability to assess risk A literary endowment causes strife
The value of arcane research fields is called into question and professors revolt Can Conquest fight off the doctrinaire forces
of the Rising Left determined to derail his ambitions Like any Public Sector samurai he dons a fresh suit and takes the fight
to his enemies Will Higher Education be reborn Can he out connive the connivers Do the polemical hardliners out fox him
Even in his darkest hour there are glimpses of stardust ideals to guide him onwards For one driven by the highest motives
success is truly glorious even if threatened by the occasional fumble Diplomatarium of the Crusader Kingdom of Valencia
Robert Ignatius Burns, 2021-12-07 In this volume a panoramic history of medieval Valencia continues to unfold as the noted
scholar Robert Burns presents a new set of documents from the registers of Jaume the Conqueror at the Crown Archives in
Barcelona Here Burns focuses on 500 government charters covering the years 1264 to 1270 the culmination of the king's
warrior fame in Christendom and places these documents within the context of Jaume's pan Mediterranean military and
political exploits The most impressive archives of its kind outside the papal series this collection is invaluable to medievalists
as well as to historians interested in topics ranging from colonialism to rhetoric to economics during the Crusade period
Together the five Diplomatarium volumes will reconstruct the thousands of charters describing the daily business of Jaume's

kingdom and will provide detailed paraphrases of each document to aid scholars with little or no Latin The third volume describes Jaume distributing public baths and taverns and artisans quarters constructing irrigation networks and castles licensing butchers and physicians noticing even dovecotes and beehives and oranges operating on credit and on charismatic itinerant presence interacting with his many Jewish and Muslim communities and leading his armies to battle Meanwhile Jaumes s bureaucrats are at work elaborating a Roman law framework shaping an institutional and commercial system and defining the kingdom s religious identity In a kaleidoscope of human detail these documents open a window on an exotic past that medievalists and all historians can enjoy
