Unforgivable Misconception Jordyn Tate, 2004-02 There is no greater agony than bearing an untold story inside you Maya Angelou What do you do when you re placed in a situation where an ultimatum exists where you re forced to choose between saving a relationship you worked so hard to build over saving the miracle of life How do you choose when your decision determines the fate of another person s life This is a story surrounding the issues of the unknown the issues no one ever dares to talk about It s about determining self acceptance and holding onto beliefs and values as a woman against all odds The acceptance of others is not an option when it means life or death Making the wrong decision could mean the end of your emotional existence as a human being This heart to heart story conquers the depths of choices self esteem and the courage to stand grounded while gaining inner strength to overcome the unforgivable when it seems as if the whole world has walked out on you *Unforgivable Misconception*
