We Are Friendspb:

We Friends In Trends Jaimeet Patel,2020-08-09 Kabir is a rich handsome arrogant and fuming guy from South Delhi From an early age he was involved in drugs due to poor upbringing His parents had the money for him but no time From childhood Shivansh his best buddy pampered him and saved him from all types of problems Shivansh was his shadow never moving a single step without his friend What happens when they put a step in a new world far away from home in Pune Two more buddies of their class meet them Krunal and Parth The story continues to tell us how the four friends live their life on their terms and conditions They run their own arbitrary rules on everyone and everywhere by hook or crook they win elections For them every day was a holiday visiting new places trying new drugs and playing pranks on all and sundry Every moment there was a party fun and celebration and every day was full of joy and adventure The story unveils the one fatal mistake they committed that turned their lives into hell Find out that mistake How an overdose of drugs affected their life How did they take revenge from their enemy How far Kabir went to make amends Which incident changed their whole life Do the four of them get reunited to complete their last pact to visit Tomorrowland Welcome to the fable of friendship where their bad lifestyle makes their life so miserable Where Friday fucked them drugs have drowned them and ego ate them And finally revenge ruined their life
