

The background of the cover is a stylized illustration. A child wearing a bright red hooded coat and dark pants is walking away from the viewer on a floor with a large blue and yellow checkered pattern. The child is heading towards a large, imposing building with a central entrance and several windows. The sky is a gradient of blue and yellow, suggesting a sunset or sunrise. The overall mood is one of a journey or a quest.

## **When Schools Complete A Cautionary Tale:**

Dos & Don'ts of Education Reform Anthony M. Roselli, 2005 *Dos Don'ts of Education Reform* is a unique critical study of legislated reform in the U S Resisting the temptation to make facile recommendations for future action this book takes pointed aim at the failure of education reform Roselli blames a narrow minded focus on testing and accountability advocating instead for an honest morally driven construction of theory and practice He breaks new ground in this close multidisciplinary examination of curriculum instruction and assessment by demonstrating how to create the conditions for a successful school experience for all students a sociocultural view of success and a strong desire to improve the human condition This book is an excellent accompaniment to courses such as social foundations of education and critical issues in education as well as those dealing with educational policy and leadership
