Whores Of War:

Whores of War Leo Kessler, 1982 *Someone Else's War* Anthony Rogers, 2000 Based on extensive interviews with mercenaries of many nationalities this volume reveals how white mercenaries came to play a key role in the struggle for the Congo and how the end of the war in Vietnam coincided with the start of the war in Rhodesia attracting a new generation of mercenary soldiers The story moves on from the Angolan debacle of 1976 to a succession of operations in Africa and South America an attempted coup in Malta and to the mercenaries that flocked to the former Yugoslavia as the Balkan conflict worsened Beautiful Piece Joseph G. Peterson, 2009 During a deadly Chicago heat wave that's claiming hundreds of lives Robert who's stuck in his apartment alone fears he's going to be the next victim In the apartment above him lives a shell shocked Vietnam veteran who talks obsessively about the corpses of his war experience while alternately listening to Die Meistersinger and Madama Butterfly One day Robert ventures forth into the searing heat to gas up his car Immediately he encounters enigmatic Lucy who is trying to escape her brutal fiancé Matthew Gliss On a whim Lucy invites Robert to her apartment where she shows him her mysterious tattoo and tells him of her dangerous life with Matthew Gliss She warns Robert that if Matthew ever catches them together he should run not walk because Matthew won't think twice of killing him So begins the risky short lived relationship that leads to a chilling climax Each of Robert's increasingly hallucinatory recollections of what happened during the heat wave leads him to profoundly question his own culpability *War Expenditures* United States. Shakespeare's Exiles Richard van Oort, 2025-01-16 Why are human societies hierarchical How did centralized political authority originate Anthropologists tell us that foraging societies are egalitarian compared to their agrarian and industrial successors So what prompted our foraging ancestors to submit to the authority of big men chiefs and kings And how did the big man once installed in the center maintain his authority in the face of the resentment mobilized against him Shakespeare s Exiles addresses these fundamental ethical political and anthropological questions by looking at two of Shakespeare s most eccentric big men Why does Timon the once legendary host of Athens refuse to return to his beloved city And why does Prospero the exiled Duke of Milan promise to break his staff and throw his books into the deep blue sea In this highly original and provocative book Richard van Oort shows that Shakespeare is not just a dramatist but a philosopher political scientist and anthropologist too
