Wild Animus:

Wild Animus Rich Shapero, 2004-09-01 How far would you go to find yourself Wild Animus tracks the reckless quest of Ransom Altman a young Berkeley graduate who roused by his literary heroes and love for his girlfriend Lindy resolves to live in a new world of inexhaustible desire Ransom s deepening identification with the wild mountain ram whose passion and wisdom he seeks drives the young lovers north first to Seattle then to the remote Alaskan wilderness Alone on the unforgiving ridges of Mt Wrangell his imagination increasingly unhinged Ransom begins to devise and act out a dangerous animal mythos which he documents in a first person manuscript and in songs or chants that detail his transformation and pursuit by a pack of strangely familiar wolves The feverish hunt leads from the wilds to civilization and back again And when the lovers return to brave the perilous mountain together the truth behind Ransom s imagined transformation emerges What they discover in those frozen heights threatens their love as well as their sanity and their lives Is Ransom inspired by a transcendent truth or prey to a misguided fantasy As his grip on reality weakens the reader shares Ransom s fears his hopes and his extraordinary discoveries Wild Animus Shapero s debut novel is a search for the primordial and a journey to the breaking point It is a story of love and surrender of monomania of striving at all costs for a bliss beyond fear [CD Wild Animus](#) Rich Shapero, 2004

working in Malaysia He meets the engaging and alluring Nitti and is instantly smitten but getting to know her is anything but straightforward Open and childlike one moment guarded and invulnerable the next she ducks and vacillates and keeps Kell guessing why Nitti s mother lies paralyzed in a far corner of their home tended by a sinister housekeeper who exerts a mystifying control over Nitti and her father Still Kell believes he s found the woman of his dreams and he perseveres And Nitti seems to encourage him leading him to a secret jungle sanctuary then deeper to the black waters of a swamp she calls Keributan where a monstrous creature lurks With lushly drawn metaphor and unflinching candor and empathy Hibiscus Mask offers a gripping psychological mystery about the preconditions for love and the tragic cost of hidden identity
