Artful Breakdowns Georgiana Banita, Lee Konstantinou, 2023-03-02 Contributions by Georgiana Banita Colin Beineke Harriet Earle Ariela Freedman Liza Futerman Shawn Gilmore Sarah Hamblin Cara Koehler Lee Konstantinou Patrick Lawrence Philip Smith and Kent Worcester A carefully curated wide ranging edited volume tracing Art Spiegelman s exceptional trajectory from underground rebellion to mainstream success *Artful Breakdowns The Comics of Art Spiegelman* reveals his key role in the rise of comics as an art form and of the cartoonist as artist The collection grapples with Spiegelman s astonishing versatility from his irreverent underground strips influential avant garde magazine *RAW* the expressionist style of the comics classic *Maus* the illustrations to the Jazz Age poem *The Wild Party* and his response to the September 11 terrorist attacks to his iconic cover art for the *New Yorker* his children s books and various cross media collaborations The twelve chapters cut across Spiegelman s career to document continuities and ruptures that the intense focus on *Maus* has obscured yielding an array of original readings Spiegelman s predilection for collage improvisation and the potent protest of silence shows his allegiance to modernist art His cultural critique and anticapitalist antimilitary positions shed light on his vocal public persona while his deft intertextual strategies of mixing media archives from comics to photography and film amplify the poignance of his works Developing new approaches to Spiegelman s comics such as the publication history of *Maus* the history of immigration and xenophobia and the cartoonist s elevation of children s comics the collection leaves no doubt that despite the accolades his accessible comics have garnered we have yet to grasp the full range of Spiegelman s achievements in the realm of comics and beyond [The World of Musicals](#) Mark A. Robinson, 2014-04-17 This wide ranging two volume encyclopedia of musicals old and new will captivate young fans and prove invaluable to those contemplating staging a musical production Written with high school students in mind *The World of Musicals An Encyclopedia of Stage Screen and Song* encompasses not only Broadway and film musicals but also made for television musicals a genre that has been largely ignored The two volumes cover significant musicals in easily accessible entries that offer both useful information and fun facts Each entry lists the work s writers composers directors choreographers and cast and includes a song list a synopsis and descriptions of the original production and important revivals or remakes Biographical entries share the stories of some of the brightest and most celebrated talents in the business The encyclopedia will undoubtedly ignite and feed student interest in musical theatre At the same time it will prove a wonderful resource for teachers or community theatre directors charged with selecting and producing shows In fact anyone interested in theatre film television or music will be fascinated by the work s tantalizing bits of historical and theatre trivia *Michael John LaChiusa* Joshua Robinson, 2025-06-26 The first critical analysis of the work of five time TONY Award nominated composer lyricist and librettist Michael John LaChiusa best known for his innovative and daring works in musical theatre *The Wild Party* Art Spiegelman, Joseph Moncure March, 1999-03-23 Art Spiegelman s sinister and witty black and white drawings give

charged new life to Joseph Moncure March's *The Wild Party* a lost classic from 1928. The inventive and varied page designs offer perfect counterpoint to the staccato tempo of this hard-boiled jazz-age tragedy told in syncopated rhyming couplets. Spiegelman's drawings are like demonic woodcuts; every angle, line, and curve jumps out at you. Stylishness and brutishness are in perfect accord. *The New York Times*: Here is a poem that can make even readers with no time for poetry stop dead in their tracks. Once read, large shards of this story of one night of debauchery will become permanently lodged in the brain. When *The Wild Party* was first published, Louis Untermeyer declared it is repulsive and fascinating, vicious and vivacious, uncompromising, unashamed, and unremittingly powerful. It is an amazing tour de force. *Embodied Nostalgia* Phoebe Rumsey, 2023-07-11. *Embodied Nostalgia* is a collection of interlocking case studies that focus on how social dance in musical theatre brings forth the dancer on stage as a site of embodied history, cultural memory, and nostalgia, and asks what social dance is doing performatively, dramaturgically, and critically in musical theatre. The case studies in this volume are all Broadway musicals set during the Jazz Age (1910-1950), however performed and produced after that time, creating a spectrum of nostalgic impulses that are interrogated for social and political resonance and meaning. All reflect the fractures or changes in the social dance when brought to the stage and expose the complexities of the embodied nostalgia broadly interpreted as the physicalizing of community memories, longings, and historical meaning the dances carry with them. Particular attention is focused on the Black ownership of the social dances and the subsequent appropriation, cultural theft, and forgotten legacies. By approaching musical theatre through this lens of social dance, always already deeply connected to notions of class and race and the politics of choreography therein, a unique and necessary method to describing, discussing, and critically evaluating the body in motion in musical theatre is put forth. *Fifty Key American Films* John White, Sabine Haenni, 2009-03-13. *Fifty Key American Films* provides a chance to look at fifty of the best American films ever made with case studies from the 1930s heyday of Cinema right up to the present day. **The Wild Party** Andrew Lippa, 2001. *Vocal Selections*.
