 John Shelby Spong, 2016-02-16 A global and pioneering leader of progressive Christianity and the bestselling author of *Why  
 Christianity Must Change or Die* and *Eternal Life* explains why a literal reading of the Gospels is actually heretical and how  
 this mistaken notion only entered the church once Gentiles had pushed out all the Jewish followers of Jesus A man who has  
 consciously and deliberately walked the path of Christ John Shelby Spong has lived his entire life inside the Christian Church  
 In this profound and considered work he offers a radical new way to look at the gospels today as he shows just how deeply  
 Jewish the Christian Gospels are and how much they reflect the Jewish scriptures history and patterns of worship Pulling  
 back the layers of a long standing Gentile ignorance he reveals how the church s literal reading of the Bible is so far removed  
 from these original Jewish authors intent that it is an act of heresy Using the Gospel of Matthew as a guide Spong explores  
 the Bible s literary and liturgical roots its grounding in Jewish culture symbols icons and storytelling tradition to explain how  
 the events of Jesus life including the virgin birth the miracles the details of the passion story and the resurrection and  
 ascension would have been understood by both the Jewish authors of the various gospels and by the Jewish audiences for  
 which they were originally written Spong makes clear that it was only after the church became fully Gentile that readers of  
 the Gospels took these stories to be factual distorting their original meaning In *Biblical Literalism A Gentile Heresy* Spong  
 illuminates the gospels as never before and provides a better blueprint for the future than where the church s leaden and  
 heretical reading of the story of Jesus has led us one that allows the faithful to live inside the Christian story in the modern
