Will James Cowboy:

Will James William Gardner Bell, Will James, 1987 **Will James** Will James, 1985 Will James, the Last Cowboy
Legend Anthony A. Amaral, 1992 Will James an author who in two dozen self illustrated books and scores of articles created one of the most popular and probably last cowboy legends of the American West James was an expert at taking fact and fantasy legend and lore and combining it to create a cowboy story people could lose themselves in Sadly though James s success in creating a happy literary fantasy for children and adults couldn t extend to himself A victim of the very articles books and drawings that made him famous James s immense popularity threatened to topple the greatest story he ever penned the story of his life **The Will James Cowboy Book** Will James, 2003 Some of Will James s best short stories including such favorites as Tom and Jerry from All in the Day s Riding and A Range Colt from Smoky the Cowhorse are collected in this rare volume for children ages 10 and up In 1938 Charles Scribner s Sons published a limited number of The Will James Cowboy Book as a supplemental reader for school children in Texas Mountain Press Publishing Company is pleased to make this rare book available for the first time to the general public as part of the Tumbleweed Series of Will James reprints Some of Will James s best short stories including such favorites as Tom and Jerry from All in the Day s Riding and A Range Colt from Smoky the Cowhorse are collected in this volume along with instructions on how to read brands This collector s item includes some previously unpublished pen and ink artwork Look closely it resembles the pencil drawings that appeared in James s earlier books but it s not the same If you wish to introduce a child to your favorite Will James stories or if you are a student of art history this book will delight you Book jacket *The Drifting Cowboy* Will James, 1925 Stories about a working cowboy named Bill who drifts from Montana to Arizona *Will James' Book of Cowboy Stories* ,2006 A collection of illustrated stories of cowboy life from the Will James collection **American Cowboy, by Will James, Illustrated by the Author** Will James, 1942 The story of the first cowboy in the Southwest and of his son and grandson *Will James' Book of Cowboy Stories* Will James, 1951 *Will James* William G. Bell, 1985-05-01 **William James Book of Cowboy Stories** William James, 1977-06-01 **American Cowboy** ,1995-07 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage American Cowboy immerses readers in the cowboy life and the magic that is the great American West *Smoky the Cowhorse* Will James, 2018-04-23 At first born in the prairies colt wasn t too much different from his siblings But when he grew up and turned into a handsome horse with his character and habits he wouldn t let anyone come around him In a story Smoky the Cowhorse by James Will an old cowboy tells about a hard life of a real horse which was born in prairies **Will James' Book of Cowbow Stories** Will James, Charles Garst, 1983 Will James, the Gilt Edged Cowboy Anthony A. Amaral, 1967 Will James has been dead for more than two decades but the books that

flowed so prolifically from his pen and his great gift as painter and illustrator still keep his name perpetually alive James writing either in fiction or serious study possessed the vernacular and earthy grain of the cow camp and the sweep and flavor of the open range From the first word he ever wrote for publication from the first sketch he ever produced rings the authenticity of a man who truly has known the West There is no doubt that Will James was the cowboy genius But since his untimely death in 1942 every attempt to run down the facts of life pertaining to this taciturn and silent novelist and artist has met with failure on the part of the biographer His Lone Cowboy universally accepted as the autobiography of Will James has just as universally fell apart when placed under the glass of scholarly scrutiny The day Will James died the riddle of Will James alive was as poignantly real as the day his first novel or first illustration appeared To ferret out the story of the real Will James Anthony Amaral emerges as a literary detective of the highest order But the real story of the real Will James as told in this remarkable biography rivals any novel ever to come from the facile pen of James himself While its candid portrayal will shock and surprise many who imagined they knew the Will James story it in no way undermines the man s intrinsic greatness in the field of art and letters Honest and understanding in the handling of the great revealment Anthony Amaral has not sacrificed scholarship in telling the exciting story of this man s life Book jacket [Literary Impostors](#) Rosmarin Heidenreich,2018-07-30 In the first half of the twentieth century a number of Canadian authors were revealed to have faked the identities that made them famous What is extraordinary about these writers is that they actually became in everyday life characters they had themselves invented Many of their works were simultaneously fictional and autobiographical reflecting the duality of their identities In [Literary Impostors](#) Rosmarin Heidenreich tells the intriguing stories both the true and the fabricated versions of six Canadian authors who obliterated their pasts and re invented themselves Grey Owl was in fact an Englishman named Archie Belaney Will James the cowboy writer from the American West was the Quebec born francophone Ernest Dufault the prairie novelist Frederick Philip Grove turned out to be the German writer and translator Felix Paul Greve Chief Buffalo Child Long Lance Onoto Watanna and Sui Sin Far were the chosen identities of three mixed race writers whose given names were respectively Sylvester Long Winnifred Eaton and Edith Eaton Heidenreich argues that their imposture in some cases not discovered until long after their deaths was not fraudulent in the usual sense these writers forged new identities to become who they felt they really were In an age of proliferating cyber identities and controversial claims to ancestry [Literary Impostors](#) raises timely questions involving race migrancy and gender to illustrate the porousness of the line that is often drawn between an author s biography and the fiction he or she produces
