Your Medical Future:

Textbook of Palliative Care Communication Elaine Wittenberg PhD, Betty R. Ferrell RN, PhD, MA, FAAN, FPCN, CHPN, Joy Goldsmith PhD, Thomas Smith MD, Sandra Ragan MD, Myra Glajchen, The Rev. George Handzo, 2015-10-23 The Textbook of Palliative Care Communication is the authoritative text on communication in palliative care providing a compilation of international and interdisciplinary perspectives The volume was uniquely developed by an interdisciplinary editorial team to address an array of providers including physicians nurses social workers and chaplains and unites clinicians with academic researchers interested in the study of communication By featuring practical conversation and curriculum tools stemming from research this text integrates scholarship and inquiry into translatable content that others can use to improve their practice teach skills to others and engage in patient centered communication The volume begins by defining communication explicating debatable issues in research and highlighting specific approaches to studying communication in a palliative care context Chapters focus on health literacy and cultural communication patient and family communication barriers and approaches to discussing palliative care with specific patient populations discussing pain life support advance care planning and quality of life topics such as sexuality spirituality hope and grief Team communication in various care settings is outlined and current research and education for healthcare professionals are summarized Unique to this volume are chapters on conducting communication research both qualitatively and quantitatively to promote further research in palliative care

The Already Dead Eric Cazdyn, 2012-04-16 This book considers how a culture of crisis management what Cazdyn calls the new chronic has come to dominate all aspects of contemporary life from biomedicine to economics to politics Drawing from his own experiences battling leukemia and the subsequent effects of his illness on the process of becoming a Canadian citizen Cazdyn unravels the logic of the new chronic where people find themselves suspended in a space between life and death

Living with Hereditary Cancer Risk Kathy Steligo, Sue Friedman, Allison W. Kurian, 2022-09-27 The most comprehensive guide available on hereditary cancers from understanding risk prevention and genetic counseling and testing to treatment quality of life and more Up to 10 percent of cancers are caused by inherited mutations in specific genes Finding out that you or your loved ones may be at increased risk of developing cancer because of a genetic mutation raises a lot of questions Is cancer inevitable Is there anything I should do differently in my life Will my children also be at higher risk of cancer Should I have preemptive treatments or surgery This comprehensive guide provides answers to these questions and more Written by three passionate patient advocates this book is a compilation of the trusted information and support provided for more than two decades by Facing Our Risk of Cancer Empowered FORCE the de facto voice of the hereditary cancer community Combining the latest scientific research with national guidelines expert advice and compelling patient stories the book offers previvors those who have a mutation but have never been diagnosed survivors and their families the guidance they need to face the unique physical and emotional challenges of living in a high risk body An

ideal resource for genetic counselors physicians nurses advocates and others who support and care for the hereditary cancer community Living with Hereditary Cancer Risk also provides coverage of signs of inherited cancer risk in a family the value of genetic counseling and testing mutations in BRCA Lynch Syndrome and other genes that elevate cancer risk risk reducing strategies traditional treatments and newer personalized approaches including immunotherapies and PARP inhibitors nationally recommended guidelines for prevention early detection and treatment insurance coverage and discrimination protections and coping with sexual health fertility menopause and other quality of life issues
