The smash hit video game Minecraft continues to grow in popularity and in gameplay, adding more features and updating existing ones to make them richer and more complex. Players who mastered the basics with *Minecrafter* and leveled up with *Minecrafter 2.0 Advanced* can now become experts with *Minecrafter 3.0 Advanced*. Readers can delve into the complex advanced player worlds of Brewing, Enchanting, and Farming for items and experience, and learn how to start making the Holy Grail of Minecraft creations: the megabuild, and make it look great by learning how to use visual boosters like skins, resource packs, and shaders. This book details the brand new modes of play, such as the drama-filled Adventure maps that present a whole new set of challenges for advanced players to complete. As the game has evolved, so has the player favorite Redstone system, and dozens, if not hundreds, of new mods, mini games, servers, and builders have come into being. This gamer's guidebook also contains the most up-to-date information on the latest updates, including some game-changing new features helping you achieve expert *Minecrafter* status.
