heartfelt story about love loss legacy and the music that ties them all together What does the perfect song sound like Normally Malcolm Kid wouldn't give this type of question the time of day As a straight B student with a heart of copper he is far more concerned with overcoming mediocrity than he is with achieving perfection But that all changes when he stumbles across the LK 2000 a strange keyboard cursed with the soul of an old jazz musician Malcolm soon learns that the only way to free this musician's soul is by performing the perfect song With much hesitation and the help of his lifelong friend January Young Malcolm embarks on a musical journey across the city of New Bronzeville in the hopes of discovering the perfect song and finding himself as a musician along the way
