television commercials the world over Skillfully interwoven with the account of Handel s life are commentaries on all his major works as well as many less familiar pieces by this most inventive expressive and captivating of composers Handel was an extraordinary genius whose career abounded in reversals that would have crushed anyone with less resilience and will power and Jonathan Keates writes about his life and work with sympathy and scrutiny **Shakespeare's True Life** James Walter,1896 *Shakespeare and Shakespeariana* Meisei Daigaku.
