*Great Books for Every Book Lover* Thomas J. Craughwell, 1998 Can't decide what to read? Imagine a list of the greatest books described in concise, insightful and witty profiles to browse in search of the next perfect read. 2002 Great Books for Every Book Lover offers all this and more, reviewing each book with the wit and wisdom of a seasoned book critic in this unique and useful reference that belongs in every bibliophile's library. Readers will love the broad selection of titles, learning about famous authors and finding or recommending the next perfect read for themselves, friends, and family. Every type of book is covered. Each of the 2002 book profiles, roughly one paragraph long, gives a short summary, historical context, information about the author, why the book was important, and other recommended reads by the same author. Indexes make it easy to find books by subject, title, or author. A tear-off list gives readers a handy in-store reference, and a check-off list helps track all the books they've read.
