The Unseen Revolution Peter F. Drucker, 2013-09-11 *The Unseen Revolution* How Pension Fund Socialism Came to America covers the principles and concepts of the American pension fund socialism This book is composed of five chapters and begins with the history and developments of pension fund socialism in the United States The next chapter deals with the fundamental problems of economic structure policy and as well as the

problems of authority legitimacy and control of the so called Social Security The discussion then shifts to involved social institutions and issues along with the political lessons and issues of pension fund socialism The last chapter considers the American politics realignments and readjustments

Pension Revolution Keith P. Ambachtsheer, 2011-07-05 Praise for Pension Revolution When Keith Ambachtsheer puts his keen mind to work on a problem watch out Here he exposes today s fragile arrangements for the most serious social dilemma of our times financing retirement Then he provides a compelling and powerful set of solutions His writings are essential reading for all who care about the future of American living standards Peter Bernstein founder and President Peter L Bernstein Inc and author of Capital Ideas and Against the Gods This book describes one of the most ingenious inventions in the history of mankind pension funds offering credible promises about old age income It reads like a thriller how can well governed pension funds be created in an imperfect world in which mortals wrestle with foibles and moral shortcomings One of the world s leading experts on pensions searches for the answer and finds it Lans Bovenberg Scientific Director Network for Studies on Pensions Aging and Retirement Tilburg University The Netherlands Pension Revolution exposes the inadequacies of current pension systems and persuasively makes the case for the fundamental changes that are needed It is essential reading for both the pension industry and policymakers Elizabeth Bryan Chair Investment Committee Unisuper Management PM Ltd Australia Most analyses of complicated issues deal with complexity by simplifying or only looking at one piece part and in doing so provide limited value In stark contrast Keith Ambachtsheer boldly wades into the complexity in Pension Revolution to come up with a valuable integrative solution He is a most welcome revolutionary Roger Martin Dean Joseph L Rotman School of Management University of Toronto Canada We have known Keith for over ten years and consistently over that time he has constructively and comprehensively challenged conventional wisdom He has done this so effectively that many of his initial thoughts have now become universally accepted norms Such is his energy however that he continues to push the boundaries of pension and investment thinking Peter Moon Chief Investment Officer Universities Superannuation Scheme Ltd UK Pension Revolution not only explains the shortcomings of the existing pension system and the underlying design features that have resulted in the current pension upheaval It also offers thoughtful and creative suggestions for prospective pension design A must read for anyone interested in the future of retirement finance James Poterba Professor of Economics Massachusetts Institute of Technology and a member of the TIAA CREF Board of Trustees
