The Church on the World's Turf Paul A. Bramadat, 2000-06-29 Is it possible for conservative Protestant groups to survive in secular institutional settings Here Bramadat offers an ethnographic study of the Inter Varsity Christian Fellowship IVCF at McMaster University a group that espouses fundamentalist interpretations of the Bible women's roles the age of the earth alcohol consumption and sexual ethics In examining this group Bramadat demonstrates how this tiny minority thrives within the overwhelmingly secular context of the University *Christian Popular Culture from The Chronicles of Narnia to Duck*

Dynasty Eleanor Hersey Nickel, 2021-05-13 Christian popular culture has tremendous influence on many American churchgoers When we have a choice between studying the Bible and reading novels downloading movies or watching television we become less familiar with Numbers than with Narnia This book examines popular Christian narratives with rigorous scholarly methods and assumes that they are just as complex fascinating and worthy of investigation as the latest secular Netflix series or dystopian novel While most scholars focus on the religious aspects of Christian texts this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race class and gender in a profoundly unequal America Close readings of six case studies *The Chronicles of Narnia Francine Rivers's Redeeming Love Jan Karon's Mitford novels Left Behind the films of the Sherwood Baptist Church and Duck Dynasty* uncover both harmful stereotypes and Christians serving as leaders in social justice **Prophet** Frank E. Peretti, 2004-03 Anchorman John Barrett

knows something is wrong The story doesn't add up Prompted by extraordinary spiritual experiences he begins to uncover a story about abortion that no one wants to hear **Reading Evangelicals** Daniel Silliman, 2021-10-05 The story of five best selling novels beloved by evangelicals the book industry they built and the collective imagination they shaped Who are evangelicals And what is evangelicalism Those attempting to answer these questions usually speak in terms of political and theological stances But those stances emerge from an evangelical world with its own institutions institutions that shape imagination as much as they shape ideology In this unique exploration of evangelical subculture Daniel Silliman shows

readers how Christian fiction and the empire of Christian publishing and bookselling it helped build is key to understanding the formation of evangelical identity With a close look at five best selling novels Love Comes Softly This Present Darkness Left Behind The Shunning and The Shack Silliman considers what it was in these books that held such appeal and what effect their widespread popularity had on the evangelical imagination Reading Evangelicals ultimately makes the case that the worlds created in these novels reflected and shaped the world evangelicals saw themselves living in one in which romantic love intertwines with divine love humans play an active role in the cosmic contest between angels and demons and the material world is infused with the literal workings of God and Satan Silliman tells the story of how the Christian publishing industry marketed these ideas as much as they marketed books and how during the era of the Christian bookstore this every bit as much as politics or theology became a locus of evangelical identity This Present Darkness Frank E. Peretti,2001

Human Trafficking Sasha Jespersen,Rune Henriksen,Anne-Marie Barry,Michael Jones,2019 Reveals how accepted representations of human trafficking simplified by the media and even by governments and NGOs seeking to stop slavery are incorrect inadequate and harmful **This Present Triumph** Richard M. Cozart,2013-09-17 The author of Ephesians shows an interest in the Isaianic new exodus INE in facilitating his focus on the present triumph of the people of God The recipients required both insight and confidence especially in regard to the certainty of their salvation its mysterious nature Jewish Gentile relations and their former manner of life In the face of these challenges the author maintains that victory is secured through God s choice of them and the working of his redemptive program which inevitably leads to triumphal blessings As with the exodus era Hebrews the readers participate in paschal redemption now embodied in Christ along with his resurrection and ascension as the triumphant new exodus warrior over principalities and powers In addition and as predicted by OT writers Gentile proselytes share the blessings of the new exodus but now on equal footing and access as Jewish Christians creating a new eschatological temple Triumphant Christ distributes gifts facilitates Spirit endowed living and enables Christian warfare that mirrors Yahweh and his servant The recipients of the epistle appear to be called to view INE triumph as above below now and not yet while not discarding current applications on earth *Piercing the Darkness* Frank E. Peretti,2003 A colossal spiritual struggle breaks out in a small town an attempted murder a ruthless lawsuit and a young woman is caught in the middle A bestselling novel of forgiveness and the power of prayer **The Theosophical Path**

Katherine Augusta Westcott Tingley,1921 *Light in this Present Darkness* Phil Enlow,1999 *The Lord's Supper* Charles Hebert,1879 The World Court ,1915 Paul and the Hope of Glory Constantine R. Campbell,2020-11-24 A Unique Study of Pauline Eschatology that Is Both Exegetical and Theological One of the trajectories coming out of Constantine Campbell s award winning book Paul and Union with Christ is the significance of eschatology for the apostle Along with union with Christ eschatology is a feature of Paul s thinking that affects virtually everything else While union with Christ is the webbing that joins Paul s thought together eschatology provides the shape of his thought and thus gives shape to his teaching about

justification resurrection the cross ethics and so forth There is considerable debate however about Paul s eschatology asking whether he is a covenant or an apocalyptic theologian In Paul and the Hope of Glory Campbell conducts a thorough exegetical study of the relevant elements of Paul s eschatological language metaphors and images including parousia the last day inheritance hope and others He examines each passage in context aiming to build inductively an overall sense of Paul s thinking The results of this exegetical study then feed into a theological study that demonstrates the integration of Paul s eschatological thought into his overall theological framework The study is comprised of three parts The first part introduces the key issues both exegetical and theological and sets the parameters and methodology of the book It also offers an historical survey of the scholarly work produced on Paul s eschatology through the twentieth century to the present day The second part contains the detailed exegetical analysis with chapters on each important Pauline phrase metaphor and image related to eschatology The third part turns its attention to theological synthesis It recapitulates relevant conclusions from the evidence adduced in part two and launches into theological discussion engaging current issues and debates This volume combines high level scholarship and a concern for practical application of a topic currently debated in the academy and the church More than a monograph this book is a helpful reference tool for students scholars and pastors to consult its treatment of any particular instance of any phrase or metaphor that relates to eschatology in Paul s thinking New Testament hours Cunningham Geikie,1895 **The Rainbow, a magazine of Christian literature** ,1876
