This Way Venice:

All That and a Bag of Chips Darrien Lee,2002-10 Includes a brief excerpt from Been there done that Venice's Most Loyal City Stephen D. Bowd,2010-11-15 This innovative microhistory of a fascinating yet neglected city shows how its loyalty to Venice was tested by military attack economic downturn and demographic collapse Despite these trials Brescia experienced cultural revival and political transformation which Bowd uses to explain state formation in a powerful region of Renaissance Italy

The Ephemeral Civilization Graeme Snooks,2002-09-11 The Ephemeral Civilization is an astonishing intellectual feat in which Graeme Snooks develops an original and ground breaking analysis of changing sociopolitical forms over the past 3 000 years Snooks challenges the prevailing theories of social evolutionism with an innovative approach which also looks ahead to the twenty first century The Ephemeral Civilization builds on the model of dynamic strategy outlined in the author s highly acclaimed companion volume The Dynamic Society The Ephemeral Society is divided into three parts theory history and future *Diplomatic and Consular Reports. Annual Series* Great Britain. Foreign Office,1894

Spacing Law and Politics Leif Dahlberg,2016-04-20 Examining the inherent spatiality of law both theoretically and as social practice this book presents a genealogical account of the emergence and the development of the juridical In an analysis that stretches from ancient Greece through late antiquity and early modern and modern Europe and on to the contemporary courtroom it considers legal and philosophical texts artistic and literary works as well as judicial practices in order to elicit and document a series of critical moments in the history of juridical space Offering a more nuanced understanding of law than that found in traditional philosophical political or social accounts of legal history Dahlberg forges a critical account of the intimate relations between law and politics that shows how juridical space is determined and conditioned in ways that are integral to the very functioning and malfunctioning of law
