This Days Wait Stories:

Some Day Robert Eidelberg, 2020-06-29 SOME DAY The Literature of Waiting A Creative Writing Course With Time on Its Hands Now wait Now Wait You do it all the time Time and time again You re doing it right now waiting on our every word So here goes before there was this book SOME DAY on writing creatively about a world of waiting there was special topics Hunter College English course on The Literature of Waiting that featured a selection of novels plays and short stories by some rather famous world authors But wait even before that time sensitive college course there were well the elevators particularly the ones in the North Building of Hunter College of the City University of New York Elevators that you always had to wait distressingly long for when they were apparently working and eternally long for when they were out of service There was even that infamous elevator repair sign Picture it a photoshopped female student with her right hand flat out in the stop and wait position her compressed lips silently conveying that any wait on your part for an elevator to come would be entirely futile And did we mention that the repair sign would inevitably remain up even after that elevator had been fixed Now that made a certain sense since it was only a matter of time before the sign was like a broken clock accurate again

Know Doubt John Ortberg, 2014-11-04 In this refreshingly candid look at what it takes to live a life of faith John Ortberg takes an honest look at the misgivings and uncertainties that often shake our beliefs as we navigate through the highs and lows of life Reflecting on his own bouts with doubt and uncertainty Ortberg shares with readers his discovery that rather than being a contradiction in terms doubt and faith may be very much a part of each other He challenges readers to consider how doubt can motivate us to study and learn how questioning expands our understanding and how uncertainty can lead to trust These challenges point us toward the relief of being totally honest The right kind of doubt can be a gift an action generating truth that actually allows us to deepen our faith and intimacy with God Written to challenge comfort and inspire readers *Know Doubt* reveals uncertainty as a cause for
