This Hour Has Seven Decades:

The CBC David Cayley, 2025-09-16 Conceived as an institution that would embody Canada as a whole the CBC now struggles in a fractured media landscape Its narrow programming choices dogmatic politics and politically correct hosts cater to ever shrinking audiences The once proud broadcaster has alienated so many viewers and listeners that Canada's Conservative Party now sees a winning strategy in promising to defund it Author and producer David Cayley who for three decades made radio documentaries for CBC Radio's Ideas goes back to the CBC's roots to examine how it lost its way and to ask searching questions about the nature of media and the public in the twenty first century He calls for a bold new vision a CBC that transcends its recent past and rebuilds as a unifying force championing curiosity dialogue and a pluralistic Canadian identity A must read for anyone who cares about the cultural heart of Canada **Unbuttoned** Christopher Dummitt, 2017-05-01 How Canadians reimagined what a politician should be Seven Decades of the Union Henry Alexander Wise, 1881 **Pierre** Nancy Southam, 2008-11-19 1 national bestseller When Pierre Elliott Trudeau died in 2000 the outpouring of emotion was extraordinary Thousands of people across Canada and all over the world mourned the loss of one of our greatest prime ministers a man who touched the hearts and challenged the minds of a nation In this book Trudeau's close friend Nancy Southam has gathered more than 140 reminiscences and anecdotal narratives from journalists former world leaders politicians who battled and debated him his sons friends RCMP bodyguards girlfriends canoeing buddies and household staff Among the contributors are luminaries as diverse as Conrad Black Jean Chrétien Leonard Cohen John Kenneth Galbraith Ivan Head Jacques Hébert Karen Kain Margot Kidder Harrison McCain Toni Onley Gordon Pinsent Christopher Plummer Roy Romanow Ed Schreyer and Barbra Streisand With the blessing of his sons Justin and Sacha Southam has put together a remarkably transparent account of a deeply private person that is funny honest affectionate and illuminating Pierre Berton Brian McKillop, 2011-06-22 The first ever biography of one of Canada's best known and most colourful personalities by an award winning author From his northern childhood on it was clear that Pierre Berton 1920-2004 was different from his peers Over the course of his eighty four years he would become the most famous Canadian media figure of his time in newspapers magazines radio television and books sometimes all at once Berton dominated bookstore shelves for almost half a century winning Governor General's Awards for Klondike and The Last Spike among many others along with a dozen honorary degrees Throughout it all Berton was larger than life full of verve and ideas he approached everything he did with passion humour and an insatiable curiosity He loved controversy and being the centre of attention and provoked national debate on subjects as wide ranging as religion and marijuana use A major voice of Canadian nationalism at the dawn of globalization he made Canadians take interest in their own history and become proud of it But he had his critics too and some considered him egocentric and mean spirited Now with the same meticulous research and storytelling skill that earned him wide critical acclaim for *The Spinster* and *the Prophet* Brian McKillop traces Pierre Berton's remarkable life with

special emphasis on his early days and his rise to prominence The result is a comprehensive vivid portrait of the life and work of one of our most celebrated national figures

Arrested Adolescence Erik Rebaun,2023-04-15 Nathan Leopold seemed to live a charmed life a published polyglot college graduate by the time he was 19 and from a prominent wealthy Chicago family So it was a shock to everyone when he and his lover Richard Loeb confessed to killing their 14 year old neighbor Bobby Franks for a thrill During the summer of 1924 the world watched in fascinated horror as the pair were defended by the famous Clarence Darrow in what many labeled the trial of the century There was a massive public outcry when the murderers were spared the death penalty and once they were behind bars most hoped they would never be heard from again 33 years after the murder it seemed that Nathan Leopold was a changed man In prison he ran a high school and library worked as a nurse and helped find a cure for malaria He was deemed rehabilitated and paroled to a tiny town in the mountains of Puerto Rico There he got a degree in social work raised funds to build a hospital and advocated for the abolishment of prisons and capital punishment When he died in 1971 there was an outpouring of support for the gentle reformed killer Yet his life was not what it seemed 100 years after the murder this groundbreaking new biography uses previously unseen archival collections to look at the full life of Nathan Leopold and reveal the motivations behind Bobby s death and the secrets kept hidden from history

When Organization Fails James R. Taylor,Elizabeth J. Van Every,2014-06-05 When Organization Fails Why Authority Matters develops the study of authority as an area of investigation in organizational communication and management As a research topic authority has rarely been addressed in depth in the management and organizational communication literature It is critical however to maintaining unity of purpose and action of the organization and it is frequently cited by organizational members themselves Utilizing two case studies examined in depth and based on the accounts of the individuals involved authors James R Taylor and Elizabeth J van Every explore the pathology of authority when it fails They develop a theoretical foundation that aims to illuminate authority by positioning it in communication theory This volume sets the stage for a new generation of scholars who can make their reputations as experts on authority and is intended for scholars and graduate students in organizational communication leadership and discourse analysis It also offers practical insights to consultants and management experts worldwide
