This Is My Life My Autobiography:

My Life- My War- World War 2 Stanley B. Loomis,2010 Wars are started by a person or persons and are usually a quest for power for a person or a group of people and they don't really care how many people are killed nor how many families are losing a father mother or brothers or whole families and their relatives Sometimes it is necessary to start a war by a peaceful nation against countries that are harming and have the publically displayed their intentions to extend their borders by taking land from established country's land and people This I would consider declaring a war to be the only necessary solution to the problem but still a war with people getting maimed and killed In World War One Germany was the problem once again lust for power I wasn't even thought of at that period of time in fact I hadn't even arrived on the scene at that point of time But think about it for a moment there's not one inch of land that has increased in size in those thousands of years of civilization and wars I was a training in Camp Blanding in Florida we could look in any direction and there was a sign posted in large letters Kill or Be Killed Kill or Be Killed We were just 18 or 19 year old kids think about it Kill or Be Killed what an education but necessary to imprint it inside our young brains It gave us young kids a reason to become killers hesitate for a second and you're dead Back then in training we used to repeat over and over was that wars were necessary to Decrease The Surplus Population It is most certainly a true statement

Politics Mohsina Kidwai,Rasheed Kidwai,2022-10-18 Mohsina Kidwai has been in public life as a member of the Indian National Congress for over six decades A cabinet minister in several successive central governments and a senior office

holder in the Congress she has had a ringside view of Indian politics for almost the entire span of independent India's existence. She has witnessed and been a participant in the tenures of prime ministers from Jawaharlal Nehru to Indira Gandhi and Rajiv Gandhi and was a member of parliament until 2016, one of only twenty Muslim women to have been elected to the Lok Sabha since 1951. In this candid account of her life, Kidwai assesses not just her own contribution to public life but also provides an honest appraisal of the turn in fortunes of the political party she has remained a loyal member of. The reader is treated to rare glimpses into the homes, lives, and the hurly burly of election campaigns over the decades. One such memorable one was the Azamgarh bypoll in 1978 which Kidwai won as Uttar Pradesh Congress chief and which signalled a revival of the Congress's fortune after its spectacular defeat in the post-Emergency general elections of 1977. Written with the honesty and simplicity that have been her trademark in public life, this then is not just the memoir of a politician; it is an assessment of an entire era in Indian politics.

Josie M. Davidson, Her Life and Work Josephine Martin Davidson, 1922
 Excerpt from Josie M Davidson Her Life and Work This Autobiography aims to combine the real features of a history of my home life, my domestic life and my travels with the interest of the changes through it all. All these incidents are drawn from my own life. The history is founded strictly upon facts. This narrative simple as it is, I hope will serve to give to my friends and relatives who may read this a true sketch of my every day life. I have chronicled these events of my life's history. *"My Life, My Service"* Adelaja Omofade, 2006

Eternal Life: A New Vision John Shelby Spong, 2009-09-01 Drawing on a lifetime of wisdom, New York Times bestselling author and controversial religious leader John Shelby Spong continues to challenge traditional Christian theology in *Eternal Life: A New Vision*. In this remarkable spiritual autobiography about his lifelong struggle with the questions of God and death, he reveals how he ultimately came to believe in eternal life. *The Songs, Poems, Notes and Correspondence of Bishop R.C. Max Schmeling: An Autobiography Max Schmeling, 1998 Schmeling's heavyweight championship bouts with Joe Louis in the late 1930s were great fights, but they were also political events: Louis, an American black, versus the German Schmeling, a representative of Hitler's master race. At 92, Schmeling may be the last living person to have conversed with Franklin Roosevelt, Hitler, Pope Pius XII, and Marlene Dietrich. It's all here in this detailed account of the boxer's life through the end of World War II. Perhaps the most interesting part of the story is the way time has altered the boxer's point of view. When he lost the second Louis fight, he thought it was the most devastating event of his life. But now he realizes that had he won that fight, he would have become the paramount symbol of Hitler's Third Reich. Though he was a patriot, Schmeling could not reconcile himself to Hitler's racial and religious persecution. This is a fascinating, humble autobiography of interest as much for the times in which the subject lived and the people he knew as for the subject himself. *Life*, 1914
