Patricio Simonetto

This Isn't About The Money:

Beyond Money: Why Financial Independence Isn't Enough and What Real Wealth Requires Eliam

Kings, 2026-02-22 Financial independence is powerful. But what happens after you reach it? For decades, personal finance books have taught us how to eliminate debt, invest simply, and build enough assets to walk away from work. Yet many who achieve financial freedom discover something unsettling: Money solved the math. It didn't solve the meaning. In *Beyond Money*, Eliam Kings reveals the seven deeper layers of wealth that determine whether independence actually feels like freedom. From time autonomy and emotional resilience to purpose, relationships, and identity, this book expands the definition of wealth beyond net worth. Because true wealth isn't just about escaping work, it's about designing a life that feels rich long after the numbers are handled.

[Money Isn't King, You Are](#) Webster Tsenase, 2014-08-14 Unlock your financial abundance now! You were taught that Jesus is the answer to every problem you have and will have in the future; this is partially true. We all know that Jesus paid the price for our sin by dying on a cross and by resurrecting on the 3rd day, but the price He paid cannot belong to you unless you accept it. Likewise, your financial abundance was paid for through Jesus' death, burial, and resurrection, but you have to accept it in order to live in it. This book gives you practical steps and spiritual principles which, when acted upon, will help you to accept the financial abundance that Jesus paid for today. You will finally understand the true purpose of money, what the blessing actually is, what role the Holy Spirit plays in your finances, why financial abundance is important, why Abraham, Isaac, Jacob, and others were financially abundant, and MORE.

Money Isn't Everything

Patricio Simonetto, 2024-11-13 Just a few years before becoming President, Juan Domingo Perón penned a letter demanding the reopening of government-sponsored brothels near military bases. This, he believed, was a necessary preventative for homosexuality. His letter exemplified the then-widespread panic over sexual deviance that came just a few years after a panic surrounding immigrant sexualities led to the criminalization of prostitution. In this book, available for the first time in English, Patricio Simonetto captures the anxiety, regulation, and tolerance of sex work that has defined Argentina's heterosexual and patriarchal national identity. Consulting judicial papers, prison archives, and secret police reports, Simonetto illustrates the state's authoritarian, violent, and moralistic interventions against dissident sexualities and how they transcended political shifts across liberal and military governments. He narrates the life stories of those who offered, exploited, or were consumers of sex work and draws connections between sex work, government policy, and Argentina's economy. This impressive study provides a lens into the ever-shifting constructions of heteronormative masculinities that produced political agendas and social hierarchies that continue to influence Argentina today.

This Isn't for You

 Darrin Atkins, 2000-11-09 Sometimes I feel like I'm not going to make it in life; that there are too many things I need to do in order to get anywhere. Of course, I want to make it. I want to be like a train and find the right track. I'm supposed to be on it and just roll along the tracks and go up and down and over and around.
