Midsummer's Bottom Darren Dash,2018-06-21 The Midsummer Players stage an outdoor version of A Midsummer Night s Dream every year The actors are dreadful and audience members almost never attend more than once Except for the fey folk All of the fairies named in the play are obliged to attend every performance due to a deal that they struck with a mischievous Master Shakespeare In an attempt to break up the Players on the eve of their twentieth anniversary Oberon and Puck hire a human agent of chaos to infiltrate the actors ranks and set them against one another by focusing on secret attractions and grudges that have been lying dormant up to now Sparks will fly and everyone will come to blows but it s all executed with a wink and a grin and there will be more smiles than tears by the end At least that s the plan This comedic fantasy is for lovers of Shakespeare chaos and fairies everywhere

REVIEWS A clever and kinky theatrical romp with a big heart Kirkus It is comedic a little hectic and the strength of its rich cast keeps things moving at a delightfully entertaining pace this unique tale is that rare reimagination of elements of a classic story that captures all the comedy drama and emotional satisfaction of its original and in some ways exceeds them US Review of Books Recommended read Midsummer s Bottom delights with Shakespearian couplets and a cacophony of human foibles that smash up to a satisfying ending Dash has created a stellar cast of full engaging characters Tightly written and imaginative Midsummer s Bottom glides the reader through a wonderful story towards a rewarding and unexpected end Self Publishing Review Midsummer s Bottom is a delightful book with the lyrical words of the bard and the theme of his magical work intertwined into the story line Mr Dash is an accomplished wordsmith and brings the chaos to the sort of satisfying finale that had I been in a theatre I would have stood to applaud Readers Favorite Charles Remington 5 star review Dash s signature wit and humor shine on every page magical escapism at its best Midsummer s Bottom is a laugh out loud comedy a rollicking romp that will leave you with a warm satisfied feeling long after you finish Rachel Hobbs author 5 star review Darren Dash has masterfully combined Shakespeare s style and greatness with his own amazing poetic agility to create an absolutely delightful tale that will make you laugh until you cry I was skeptical of a retread of Shakespeare but this is very cleverly done and quite entertaining Bravo Readers Favorite Melinda Hills 5 star review I loved the diversity Bisexual gay questioning straight cross dressing there was a little of everything in this small cast and the representation without shame without it feeling forced was wonderful Midsummer s Bottom is engaging humorous and intricately woven Kelly Smith

Crossing Saturday Furlong Thomas Lincoln,2025-11-10 This tale of an epic European journey will take you back to the days of travel before Google Maps and social media posts It was a time when one could hop off a train in a European town in August without reservations and still score a room for the night Its protagonists are out to escape a corporate world that also hearkens back to another time when endless meetings were all held in person with no off camera escapes and no iPhone to peek at under the table In those early days of the millennium titles like *A Year in Provence* and *Under the Tuscan Sun* let readers dream of a carefree life spent permanently abroad before crashing back to an earthly reality of deadlines family obligations and bills to pay Author Thomas Lincoln set out to appeal to those readers but with a twist creating a travel memoir for those who can t afford to quit their day job one that not only provides a vicarious escape from the day to day grind but helps you like the life you come home to a bit better than before you left We first encounter the author at work daydreaming in a meeting about travels past and planned But is there more behind his disengaged appearance To find out we flash back to a younger self having rashly quit his job and persuaded his considerably less impulsive romantic interest to do the same Over the course of three months on the move across Europe while she proceeds with caution and guards her own feelings he somewhat insensitively revels in his freedom Then beginning with an epiphany in a field of poppies in the English countryside as he learns to be at peace with the uncertainties of Italian infrastructure and absorbs the simple wisdom of a retired Croatian cargo ship captain on the candlelit terrace of his home above the sea he is changed in ways that only authentic travel can bring forth As we return to the corporate arena in the final chapter we too have had our perception readjusted *Crossing Saturday Furlong* reminds us that underneath the tech enabled trappings of our rapidly changing times human constants remain like confronting mid life crises reconciling one s inner passions with daily practicalities and learning to clearly see the partner standing beside you
