Gail Odegaard Wyoming April 13 2012 My friend Terry Bettis is a keen observer of life and life in motion I have known him for decades and Terry's incisive mind is ever at work on society and its transmogrification's He is a constitutional scholar and an exponent of personal freedom I am in awe of the depth of Terry's knowledge of our Constitution and the freedoms it bestows As a human being Terry Bettis is hard to beat He is revered by his friends and associates He works hard and remains pleasant under even the most adverse circumstances He and his wife Billie have been dear friends of ours for decades If we needed someone to administer our estate we would choose the Bettises They are honest and intelligent My wife and I regretted that Terry and Billie moved from Texas to New Mexico We figured the move increased the median IQ of New Mexico and decreased that of Texas

Paul Freeman Marble Falls Texas Terry is well qualified to write a book because of his fervor and passion for history the way it was written He has demonstrated to me and others his great attention to detail in his research and fact finding in preparation for those books he has authored and co authored He possesses the ability to build a story line and back it up with facts His
