**Marketing Engineering: Tutorial to accompany Marketing engineering** Gary L. Lilien, Arvind Rangaswamy, 1998  
Principles of Marketing Engineering Gary L. Lilien, Arvind Rangaswamy, Arnaud De Bruyn, 2007 Marketing engineering blends the scientific rigor of marketing analytics with the craft of traditional marketing to create the 21st Century tools for marketing decision making

**Principles of Marketing Engineering and Analytics, 3rd Edition** Gary L. Lilien, Arvind Rangaswamy, Arnaud De Bruyn, 2017-04-17 We have designed this book primarily for the business school student or marketing manager who with minimal background and technical training must understand and employ the basic tools and models associated with Marketing Engineering The 21st century business environment demands more analysis and rigor in marketing decision making Increasingly marketing decision making resembles design engineering putting together concepts data analyses and simulations to learn about the marketplace and to design effective marketing plans While many view traditional marketing as art and some view it as science the new marketing increasingly looks like engineering that is combining art and science to solve specific problems We offer an accessible overview of the most widely used marketing engineering concepts and tools and show how they drive the collection of the right data and information to perform the right analyses to make better marketing plans better product designs and better marketing decisions The latest edition includes up to date examples and references as well as a new chapter on the digital online revolution in marketing and its implications for online advertising In addition the edition now incorporates some basic financial concepts ROI Breakeven Analysis and Opportunity Cost and other tools essential to the new domain of marketing analytics
