Victor M. Corman

When I Whistle:

   When I Whistle Shūsaku Endō,1979 One of Endo s most unusual and powerful novels is set largely in a modern hospital with themes and scenes that eerily seem to predate Never Let Me Go A jaded businessman has a chance encounter with the doctor son of his best friend at school Ozu and memories are stirred of a former love interest of Ozu s Aiko The son of his friend proves to be contemptuous of the outmoded values of his father s world and ruthless in pursuit of success at his hospital The story reaches a terrible climax when Aiko now a middle aged cancer sufferer is admitted to the hospital and Ozu leads the way in experimenting on her with dangerous drugs   **When I Whistle** Shūsaku Endō,1980   Call Me Bear Susan McGeown,2007-04-21 She is Elle Graves She is 14 She is a captive She is alone She is frightened She is no better than a slave But she is not a red savage Her story is wrapped within the historical facts of the Cherokee Nation in the early 19th century at a time when they were at their best and ultimately driven to their worst Elle experiences the worst of hatred and the best of love as she travels down her life path and strives to reconcile the two worlds that she knows her white one that she can never escape and the red one that she has chosen to embrace Elle discovers that family has nothing to do with blood She learns that a life well lived involves difficult choices that transform you making you not red not white but more closely pink As she travels her life journey which involves her head her heart and most importantly her soul she finds out that she was always a powerful woman even before she knew it   **Luck on the Wing: Thirteen Stories of a Sky Spy** Elmer Haslett,2022-09-15 Elmer Haslett s Luck on the Wing Thirteen Stories of a Sky Spy is a compelling collection that weaves tales of aerial espionage with the intricate tapestry of human experience Haslett s incisive literary style employs a variegated narrative palette capturing both the thrill of clandestine operations above the clouds and the poignant reflections of its practitioners The stories set against the backdrop of wartime exigencies and peacetime s uneasy lulls invite readers into a world where each covert mission elucidates a deeper truth about bravery fate and the costs of secrecy Restored to modern readership by DigiCat Publishing this edition retains the authentic essence of Haslett s vision while offering accessibility to contemporary audiences thereby preserving its place in the continuum of world literature Elmer Haslett an author whose background is richly steeped in the realm of aeronautics and intelligence crafts these stories with an authenticity borne of personal understanding His work not only entertains but also enriches drawing upon his own experiences or those of his close contemporaries to relay the shadow draped world of espionage with verisimilitude Haslett s chosen theme serves as an allegory for broader sociopolitical narratives of his time embedding within each story a subtext that resonates with themes of trust sacrifice and the omnipresent specter of global conflict Luck on the Wing Thirteen Stories of a Sky Spy is an essential read for enthusiasts of spy fiction and historical narrative alike It offers a unique glimpse into the clandestine operations of yesteryear while preserving the universality of the human condition Scholars and casual readers will find the tales enlightening and thought provoking a testament to Haslett s ability to intertwine narrative excitement with profound

thematic exploration This edition brought forth by DigiCat Publishing ensures that Haslett s legacy remains intact and continues to inspire inform and captivate the imaginations of a new generation of readers   **Letters from India** Victor Jacquemont,1979   **A Series of Investigations and Reports** Association for Research in Nervous and Mental Disease,1921   New York Court of Appeals.
