## **When In Doubt blame A Jew:**

Antisemitism David Harris,2026-01-19 Antisemitism or pathological hatred of Jews is not a new phenomenon To the contrary it is often described as the world s oldest social disease it has led to atrocities on an unparalleled scale over the centuries While some believed it was now in remission at least in the West once again it is surging and is a frequent topic in the media and political discourse Why And most importantly what can be done about it This book attempts to answer these questions in a manner accessible to a wide range of readers *Memoirs of a Jewish Vampire* Russell Andresen,2016-03-03 Imagine being an immortal and knowing that you had to share your 6 000 year existence with your mother and grandmother Imagine if you were forced to watch the follies of humanity while causing problems of your own with famous figures from history Welcome to the world of Isidore Glassman Izzy to his friends in this politically incorrect romp through history as seen from the perspective of a Jewish vampire Yes a Jewish vampire Sometimes intellectual often irreverent and constantly hilarious this story will make you rethink the way you look at vampires *Memoirs of a Jewish Vampire* 6 000 Years of Kvetching projects a full frontal assault on political correctness Meet Izzy s best friends Jerry and Shlomo his mother who is frequently drunk and always embarrassing and his beloved grandmother Bubbe **When in Doubt-- Blame a Jew!** Arnold P. Abbott,2004 *Love s Journey* A Book of Reflections is about the full range of love in the world as I have considered it It contains pieces of both exquisite love as well as painful sadness within relationships I believe this range represents that discovered by many people This range is presented in a new manner in the form of poetry and short stories taken from nature and meant to inspire deep thoughts in the reader The book is designed for those exploring their internal understanding of love and close relationships It is designed to be read in conjunction with the experiences of the reader which combined can add power to the reader s appreciation for the renewal of love in their lives *After Camus* Jay Neugeboren,2024-02-20 A troubled marriage and love story set against the background of the AIDS pandemic and the American wars in Vietnam and Iraq lie at the heart of *After Camus* Saul Davidoff and Tolle Riordan who meet during a protest against the Vietnam War marry live through the Plague Years of the AIDS epidemic raise a family and burn out Camus is a hero to both of them Tolle a young dancer and choreographer has a liaison with him in Paris shortly before his death Saul inspired by Camus s *The Plague* becomes an infectious disease and AIDS doctor and Camus becomes a ghostly presence central to our story Hoping to repair their marriage Tolle and Saul return to a village in the South of France where they lived when they were first in love and where Camus lived when recovering from a siege of tuberculosis The novel draws a vivid portrait of a marriage that spans a series of historical events from the Vietnam war through the AIDs epidemic and Gulf War to the Iraq War and the advent of the right wing Le Pen movement in France *After Camus* is both a fictional meditation on recent history and a compelling tale of how various forms of love and friendship do and do not survive in times of social and political upheaval In this novel of enchantments internationally acclaimed author Jay Neugeboren is at the peak

of his powers as a master storyteller     *In Search of Jewish Community* Michael Brenner, Derek J. Penslar, 1999-01-22 A collection of essays interrogates the nature of Jewish identity in the time between two world wars The history of Jews in interwar Germany and Austria is often viewed either as the culmination of tremendous success in the economic and cultural realms and of individual assimilation and acculturation or as the beginning of the road that led to Auschwitz By contrast this volume demonstrates a re emerging sense of community within the German speaking Jewish population of these two countries in the two decades after World War I The fresh research presented here shows that while Jews may have experienced a deepening sense of impending crisis and economic decline a renewal of Jewish communal life took place during these years as new groupings sprang up including organizations for youth for rural Jews and for political groups such as Zionists and Bundists Several chapters consider the impact of economic and political crises on German Jewish family life Together these essays form a complex mosaic of German Jewry on the eve of its demise An excellent collection well written and cogently argued David N Myers     *Midstream* ,1994     **Jewish Religious Life After the Exile** Thomas Kelly Cheyne, 1898     **People, the Land, and the Book** ,1900     [Index to Jewish Periodicals](#) ,2005 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests     *The Literary World* ,1882
