

# Why Success Eludes You

Why does success slip away  
from so many people?

Because most try to master  
everything... and end up  
mastering nothing.

Michael Jordan dominated  
basketball — but struggled in  
baseball.

Success comes from  
becoming great at one thing  
before you chase the next.

Mastery takes time.

Focus on one path... and the  
results will finally catch up to  
you.
