When The Halfgods Go:

When Half Gods Go Norah M. Holland,1924 When Half Gods Go, And Other Poems, by Norah M. Holland Norah Mary Holland,1924 The Collected Prose of Robert Frost Robert Frost,2007 Presents a collection of both published and unpublished prose pieces including correspondence articles talks readings and stories Reaching Deeper Laurel Hallman,2008-05-27 A sermon is an event in a particular time and place with a particular preacher and congregation With the exception of one essay and one sermon preached in a larger context the place was The First Unitarian Church of Dallas Texas a church firmly in the Bible Belt with a people seeking open minded and open hearted wisdom for life clarity of purpose and the nourishment of worshipping together in the music silence prayer and preaching of a specific Unitarian Universalist Church These sermons are an inadequate representation of what happened when they were preached And in turn they are an inadequate effort by the preacher who after all is human They were preached each week whether the preacher was ready or not They have been slightly edited for clarity but remain largely as a text for preaching That is to say the sentences are often incomplete and the text sometimes follows a circuitous path to make a point That said this selection of sermons taken as a whole represents the deepening of a congregation and minister over time and should be read with the grace and forgiveness that was present when they were delivered *The Chalice* ,1927 *David Poindexter's Disappearance, and Other Tales* Julian Hawthorne,1888 **Gods Arrive** Annie E. Holdsworth Hamilton,1897 The Writings of John Burroughs John Burroughs,1921 *Charles Rex* Ethel May Dell,1922 *Accepting the universe* John Burroughs,1920 **Rudyard Kipling** W. Dillingham,2016-01-01 VictorianStudies on theWebCritics Choice Rudyard Kipling Hell and Heroism is an exploration of two fundamental yet greatly neglected aspects of the author s life and writings his deep seated pessimism and his complex creed of heroism The method of the book is both biographical and critical Biographically it traces the roots of Kipling s dark worldview and his search for something to believe in a way of thinking and acting in defiance of life s hellishness There matters were more basic to him than any of his social or political opinions but this the first full length study devoted to them Critically the book takes a fresh and close look at some of Kipling s most important works The result challenges long established assumptions and amounts to a major reconsideration of novels like Kim and stories like Mary Postgate and The Gardener Central in these discussions of individual writings is Kipling s concern with the heroic life but of equal importance is the analysis and evaluation of them as works of art Avoiding the tangled and special language of some recent literary theory this will appeal to a wide audience of those interested in Kipling s mind and art **War Letters from the Living Dead Man** Elsa Barker,1917 Proceedings National Electric Light Association,1907 The Varieties of Religious Experience William James,1911 **The Cambrian** ,1905 The Westminster Review ,1904 *The Golden Book Magazine* ,1928 **The Centenary of the Birth of Ralph Waldo Emerson** Social Circle in Concord,1903 **Studies in Literature** Arthur Quiller-Couch,1922 **American Magazine** ,1909
