issues that relate to the perpetual struggle between the forces of control and the forces of mental and intellectual liberation
in Africa and Kenya in particular The book addresses the colonial legacy of poverty creation as well as the socio political
conditioning of Africans to dislike each other and to be irresponsible and disunited in the face of external threats Poverty
hatred of other Africans and excessive dependency on European powers can be traced to the policies adopted by colonial
officials Related to these issues is post colonial Kenya s attempts to addresses the political developments the involvement of
different types of media in those developments Kenya s foreign policy and the problem of political party transition Ultimately
there are topical issues that continue to affect Kenya which include the question of coalition politics the lessons of the 2002
elections the media and corruption parliament and foreign policy and Africa s relations with the United States of America
