*Jesus Words of Wisdom* Acie Cargill, 2019-05-20 Here is a collection of short quotes attributed to Jesus of Nazareth followed by direct passages from the Bible of some important events in his life Sermon on the Mount parable of the mustard seed resurrection of Lazarus from the last supper on the cross resurrection of Jesus and his ascension This is a small portion of the material written on Jesus in the four gospels of Matthew Mark Luke and John Anyway my goal here is to provide an introduction to the wisdom of Jesus This book is 8000 words and it could easily be 80 000 to comprehensively cover his words of wisdom After all his words are the basis for one of the world's great religions Christianity *From Proverbs to Parables* Carole J. Lambert, 2021-01-28 The goal of this book is to suggest that Jesus as a creative artist was heavily influenced by the Hebrew Bible's Book of Proverbs It posits that he created some of his short parables from specific verses found in Proverbs suggests that he expanded some basic sapient themes present in this book when composing his parables and shows him reacting negatively to the commonly held belief that this Book's overall concept of wisdom is that the wise are rewarded and the fools are punished by God through their own self-destructive choices and subsequent actions Thus this text points to Jesus as an inventive artist a concept not usually associated with him and it complicates simplistic ways of defining biblical wisdom Part I demonstrates how Jesus might have created his tales from specific proverbs found in the Book of Proverbs The overarching theme for these parables is wisdom Jesus as wisdom I Cor 1 24 speaking wisdom in new ways Part II discusses Jesus as a self-actualized artist who creatively designed these tales It examines what shaped Jesus' artistry what might have been the sources of his literacy why he might have chosen to expand individual proverbs imaginatively in order to create his moral tales and how his wisdom enhanced conventional attitudes toward wisdom as the former included and clarified his new kingdom of God concepts This book could be used in courses treating Literature and the Bible Biblical Art The Humanity of Jesus and Wisdom Literature Common to Christians and Jews **The Wisdom of Jesus Christ; Answers** Mofao N. Phoka, 2021-07-31 The book educates and equips prophetic Christian readers on how to defeat the devil through knowledge of Wisdom's applications which includes the knowledge of scriptures like Jesus Christ did We learn how important is Submission how to respond to temptations and how to scripturally persist in spiritual war The book also helps us to desire the gift of

discernment as it helps in revelation during spiritual wars Furthermore Jesus the Christ defeated Satan through parable nothing prophetic evident rebuking unquestionable worship Question by Question and factual wisdom As Christians following Jesus Christ we have to follow our Master Jesus in all ways and copy exactly the wisdom He used in defeating the devil and his angels I wrote this book under the influence of the gift of revelation by the Holy Spirit I believe this little book will change the life of many and make Christians to face the enemy differently and learn about the wisdom used by our King Lord Jesus during his fight against the devil

**The Christ Conspiracy** Acharya S.,2012-09-04 In this highly controversial and explosive book archaeologist historian mythologist and linguist Acharya S marshals an enormous amount of startling evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies mystery schools and religions in order to unify the Roman Empire under one state religion In developing such a fabrication this multinational cabal drew upon a multitude of myths and rituals that existed long before the Christian era and reworked them for centuries into the religion passed down to us today Contrary to popular belief there was no single man who was at the genesis of Christianity Jesus was many characters rolled into one These characters personified the ubiquitous solar myth and their exploits were well known as reflected by such popular deities as Mithras Heracles Hercules Dionysos and many others throughout the Roman Empire and beyond The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior gods Krishna and Horus who for millennia preceding Christianity held great favor with the people The Christ Conspiracy shows the Jesus character as not unique or original not divine revelation Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces The result of this myth making has been The Greatest Conspiracy Ever Sold
