**Understanding the Vedas** R. Narayanaswami,2021 Writing a book on Understanding the Vedas and doing it justice is without a doubt a challenging task due to the complex nature of the Vedas While conscious of the challenges I enjoyed writing this book for a few important reasons The first and foremost reason to write the book was my deeper understanding over the years of the spirituality and wisdom in the Vedas due to my own Veda practice of 50 years and additionally my research study and teaching of Vedas Upanishads Puranas and Bhagavad Gita Along with my community involvement in our shared efforts to build and consecrate the Malibu Temple and along with Veda Circle members our organizing many sacred yajnas during the 40 years in the Los Angeles area additionally strengthened my perspectives on the Vedas Sharing these experiences of deeper understanding of the spirituality and wisdom in the Vedas and the karma aspects of temple worship and organizing and participating in various yajnas with Sanatana Dharma practitioners is the first and main reason to write this book The second reason to write the book is closely tied to but separate and distinct from the first is that the conventional viewpoint of the Vedas as ritualistic and devoid of wisdom needs to be re examined The book explains in detail the spirituality and wisdom in the Vedas and positions the Vedas as texts of Karma with spirituality and wisdom The third reason to write the book is to provide a historical timeline of the progress of the Vedas from its origin in the days of antiquity of 6 000 BCE or earlier to the present days of 2 020 CE and a detailed discussion of the development of the other scriptural

texts like Brahmanas Aranyakas Upanishads Patanjali's Yoga Sutras etc that evolved from the original Veda Samhitas And the fourth reason was to provide a discussion of the Yajna practices of the present which would provide practical aspects of the Vedas to many dharmic followers This book on Understanding the Vedas addresses all of the aforementioned aspects This book is written in 2 parts Part 1 of the book provides an overview of the Vedas including the definitions of the various terms used in the Vedas and discusses in six chapters the current understanding of the Vedas Part 2 in 5 chapters explains the spirituality and wisdom in the Vedas propounded by Sri Aurobindo in the early 20th century and popularized by Professor R L Kashyap by translating all the Veda Mantras by the early 21st century It is the author's hope and expectation that all Sanatana Dharma followers and all those who want to understand the Vedas will benefit by reading this book
