Prechtel,2012-02-01 Much has been written about the practice of one to one spiritual directions but much less about small group communities that offer in depth mutual spiritual support and guidance to its members But small groups are most likely the more usual setting for spiritual companionship and have strong biblical theological and historical foundation in the Christian tradition This book offers a detailed presentation of ten small group models plus guidance in group leadership dynamics It also presents material related to group retreat work spiritual guidance with organizations and peer supervision consultation model for supporting leaders of spiritual companionship groups and retreats Church leaders spiritual directors and educators are looking for the kinds of resources this book provides to assist them in understanding and leading groups and retreats **Stepping Into My Divine Masculine King Power** Kevin Hunter,2020-03-13 Stepping Into My Divine Masculine King Power unites the Divine Masculine energy with the persona of the King archetype Part autobiography and part divine guidance Kevin Hunter reveals pieces of his life mixed with content intended to inspire the reader into physical and soul victory The autobiographical segments focus on the efforts it takes to move from child abuse oppression addictions and mental health issues to rising up through the various stages of immature adolescence and into the spiritual maturity of the divine masculine king energy This is a process that doesn't take place overnight but is gradually shaped through the course of time as you endure continual life challenges experiences and study Life is one big classroom aimed to assist the soul in its individual evolution process The more centered and confident your soul becomes the greater the chances of naturally and effortlessly rising and stepping into the divine masculine king power energy You gain more resilience through the tougher times The divine guidance teachings include psychic insights as well as inspirational wisdom on developing a courageous spirit with bold self confidence to achieve and accomplish what you seek out to do in life This is from understanding the working nature of the Universe God Spirit the Light as well as the value of pairing with your Spirit team to recognize your lessons as well as attaining victories in life Your soul is intended to endure challenges and struggles to prepare you for successes wins breakthroughs and blessings Sometimes points are made in a stream of consciousness while other times spirit messages are intertwined with those thought processes and discussions Some of it may be lighthearted and entertaining as the author points out pieces of his selves coupled with his wins that later came beyond the childhood trauma and onto the more serious tough love motivational speeches The ultimate goal is to empower and inspire you to step into your divine masculine king power in order to conquer and succeed in all aspects of your life The Divine

Masculine energy is one that all souls have access to regardless of gender **Darkness of Ego** Kevin Hunter,2014-12-06
The biggest cause of turmoil and conflict in one s life is executed by the human ego The most unruly and destructive ego exists within every human soul When the soul enters into a physical human body the ego immediately compresses and then swells up It is your higher self s goal to ensure that it remains in check while living an Earthly life The ego is what tests each soul along its journey It is how one learns right from wrong The experiences and challenges the soul has while living in this Earthly life school contribute to the soul s growth When a soul learns lessons it is intended and expected to grow and enhance from the experience Yet there are a great many souls who do not learn lessons and remain in the same spot until the end of their life The worst of the bunch are the ones wreaking all kinds of destruction hate judgment and heartache in its wake In **Darkness of Ego** author Kevin Hunter infuses some of the guidance messages and wisdom he s received from his Spirit team surrounding all things ego related The ego is one of the most damaging culprits in human life Therefore it is essential to understand the nature of the beast in order to navigate gracefully out of it when it spins out of control Some of the topics covered in **Darkness of Ego** are humanity s destruction mass hysteria karmic debt the power of the mind heaven s gate the ego s war on love and relationships as well as psychic insights psychic timing and much more What Readers Have Said I want to point out that the book **Darkness of Ego** is no assault to me Speaking the truth even the harsh truth is no assault It s stirring awakening disturbing even I see the assault coming from those who let their egos slaughter all love in the world The bearer or revealer of bad news is not to be blamed the perpetrator or causer is If I have to choose I ll prefer the bitter truth over a sweet lie Because I want to know exactly where I stand Even if the bitter truth is haunting me and the sweet illusion would have been all I ve ever wanted That s why I appreciated the book **Darkness of Ego** A Reader Author Kevin Hunter a Warrior of Light provides a sharp and direct view on everything ego related in our earthly lives in his book **Darkness of Ego** He advises and encourages us to be aware of the ego and to decide for a path of love I appreciate this book very much A Reader I loved the **Darkness of Ego** book I was in tears several times releasing and healing tears I m so grateful for the blunt delivery of facts the author provides When this book came out I said to myself Oh no this is a negative one I don t want to read any more negative stuff There is enough darkness out there and this book will not make it onto my bookshelf I was going through a personal crises and at that exact same time I was heavily guided to buy the **Darkness of Ego** book After having finished Chapter 4 I skipped to Chapter 8 on Soul Connections I was stunned at how enjoyable that chapter was Not dark at all I heard that the author wrote the **Realm of the Wise One** book and **Darkness of Ego** book at the same time Wise One s are familiar with dealing with the dark for so long He describes the Wise One s realm in one book and focused on the dark Ego in the other one The **Ego** book is almost now seen as an extension of the **Wise One** book A Reader **With the Immortals** Francis Marion Crawford,1888 **The Open Court** Paul Carus,1902 vols 46 47 have special title New Orient Society monograph **A Guide to the Coins of Great Britain & Ireland** William Stewart Thorburn,1895 The
